President's Report 28th June 2015

The saddest day for my presidential year was saying goodbye to our dear friend Pat. The funeral was well attended by members both past and present along with former Rotary Assistant and District Governors. This is just an indication as to the esteem in which Pat was held.

Pat's children did him proud with their eulogies. Ron Thorpe presented a eulogy, under trying circumstances, for his mate, which encapsulated all the things that made up Pat.

On a personal note we will miss him being part of our lives...very much.

Simon Pursey from 13 CABS was the final guest speaker for the Rotary year. He was most entertaining with his Tips for Trips presentation. His talk created many a conversation on experiences both good and bad in cabs. Simon also spoke about what we should expect from a cab ride and what should be reported. I think the main thing he continually mentioned was always to obtain a receipt. This has the details of your trip and the driver. He encouraged feedback on whether they were doing their job properly e.g. knock on the door, open the door and assist with luggage. He also encouraged us to give feedback on Good experience.

Even though I have indicated I have a countdown to the end of this Rotary year, I do that with a touch of sadness also. This has been an amazing year and I look forward to sharing more next week and also when the annual report is released late July.

It is going to be very difficult for me to thank all the people who have made this an amazing Rotary journey for me without fear of leaving someone out. I have had the privilege of having close to 100% of the club supporting in one way or another for which I am very grateful. Thank you one and all.

I look forward to seeing you all at the Changeover night on Wednesday. Please know that all partners are welcome...let Keith know ASAP so that he can cater accordingly. He is arranging a Christmas in July dinner for us.

Kindest regards

Rhonda McKenzie

MEMBERS ANNOUNCEMENTS

The ANZAC Centenary Walkway is almost finished. Just some patchwork on a couple of arches, and a replacement sign, and it is finished. Members are encouraged to go and have a look. It has been a major project for our Club, arising from a concept devised by Paul Power, built by Monash Council , the whole project managed by a small club committee - something that our members can claim as an achievement with considerable pride.
