### Rhonda's Report (for 1 October 2014)

John Sgroisgli was excellent speaker giving us great insights into the good work that Interplast does helping children in mostly third world countries lead normal lives after having life changing surgery. It is a good reminder for us as to why we are part of the Rotary organisation.

The Monash Waverley Community Information & Support Inc run a fund raising effort selling Charity Groups Christmas cards. Over the next couple of weeks I will be giving you more details on this venture. This will be a way of us assisting a most worthwhile organisation by doing something that we do as a matter of course...buy and send Christmas Cards. Would you please consider purchasing your cards through this avenue.

There has been discussion as to whether we will continue with our Facebook page. I have had a few interested members and as a result of that interest I have arranged a Facebook coaching session at my home this Thursday 2nd October at 6.30-7.30pm. My daughter Rachel is happy to teach those willing. It would be an ideal position for us to have a couple of members who would enjoy this activity. Would you please let me know if you have an interest in this. You will need to bring a laptop or IPAD. Ideally there should be no more than 6 people so get in touch fairly quickly if you have an interest.

The Calcutta is on the 29th October at Huntingdale Golf Club. Whether you would like to bid on the horses or just arrange a table of family or friends to enjoy a fun night, either way we would love to share the night with you. There will be a flyer with more details soon. Please support this event if you are able.

Thank you to the Rotary members who assisted with the moving of wood chips at the pre school on Wednesday. John, Terry and Charlie had a good workout I believe. There are some photos to tell the tale that I am sure will be shared.

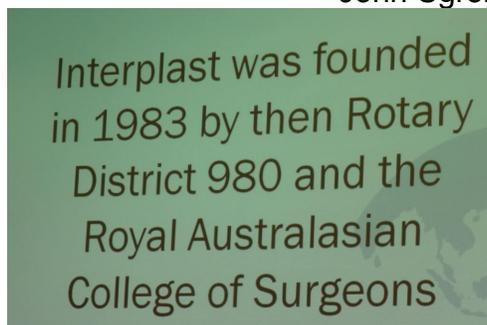

Kindest regards

Rhonda McKenzie
