**Rhonda's Report (for 10 September 2014)**

Even though the numbers were very light on this week, we were given insightful lessons on the Myths of Fat Loss by Meeghan Bell from Forever Strong Fitness Centre. It was easy to tell that she was very passionate about what she does and how she helps people achieve their health related goals.

We welcomed Geoff Logie-Smith to our meeting as a potential member. He will join us again in a couple of weeks.

On Wednesday 10th September DG Tony Monley and his wife Kathy will be joining us for the meeting. I personally know them both from my previous RC of

Templestowe and I know they will be very interesting speakers for the evening. We do need to know the numbers so please email Keith and Paul and let them know whether you will be attending. Your partner/spouse is most welcome to attend also. It would be a real treat to have a full house for this evening. Beth is still looking for numbers to help out at the Heroes and Princesses Family Fun Festival on 16th November. This is a cluster event. Please send an email to Beth or have a chat to her next week if you are able to assist.

Philip and I would like to open our home to Rotarians and Partners for this years Christmas get together. We are planning to have it catered for with finger food, and we will ask for some volunteers for finger style sweets to share on the night. We will be having a Kris Kringle where you will obtain a name that you will be asked to purchase a \$10 gift for, that we can have Santa give out on the night. John Lucas we may need you but we will need to give you a belly. We will have some music for those who enjoy a bit of dancing. An attendance list will be circulated a bit later but please mark that date in your diaries.

We have a bit of a dilemma with Facebook at the moment. This site has not been updated for a long time. We either need someone to regularly update this site or close it down. Please let me know if you have an interest in maintaining this for the club.

Over the past years the money that we have to spend on projects has not really increased. I am proposing that we have a fundraising committee within our club. This will then allow us to fundraise in the community rather than ask the same people to dig into their pockets. Rotarians are always very generous with their time and money but perhaps it is time to look further. Over the next month I will be asking a few people to assist with getting this committee underway. However, if this is an area that you would like to be involved in, please tap me on the shoulder and make me aware of your interest.

Our next social evening will be on 17th September at The Imperial Chinese Restaurant on the Cnr Blackburn and Waverley Roads, Mt Waverley. It would be lovely to see some of the partners come along. Would you also use this as an opportunity to bring along any potential members. Have a look at the website for the menu. To make it easy on the night we would ask you to bring cash. It is BYO for wine only and there is a \$4 corkage fee. Please let us know at this weeks meeting whether you will be attending or be kind enough to get in touch with Keith so that we can book accordingly.

Have a great week.

Rhonda

 Hi Terry

We are having a working bee up at Typo on the **13th & 14th September**. We intend to build a new cool room, plant fruit trees and collect fire wood. The Appin park club in Wangaratta is the main driver of the weekend and we wish to extend an invitation to all our rotary supporters. We see this as a great chance too for a productive and social event for people. Food and lodging be provided. Please RSVP 10/09/2014 Cheers, Matt.

### Youth Services Report

Our Club is sponsoring three entrants for the four way test speaking competition. The entrants were all from the Mount Waverley Secondary College. Two of the three were successful at the first heats last Tuesday. The other cancelled due to illness and has been granted a second opportunity at a later date. Judges were experienced members of the Toastmasters organisation and they were able to offer the students some valuable guidance in aspects of public speaking.

RYPEN applications for 2014 are closed and we received eight applications, five from Highvale and three from Avila. We will have an update on the students' experiences at a later date.

Terry
