Rhonda's Report (for 11 February)

Professor Ian Bates was our most welcome guest at this week's meeting. He spoke about the Excitement of Research. It was evident that Ian had a passion for what he had done and was doing.

It was good to be back in Australia and seeing such a good turnout at the meeting was fantastic. A couple of potential members also attended. I am looking forward to meeting with them again without jet lag problems.

The Good Friday Golf day is now not that far away and we will need some volunteers to assist with the planning as well as people on the ground on the day. Before you get a tap on the shoulder, would you please consider volunteering to assist Ron and Don with the planning for this day. This is a good club fundraiser for the Royal Children's hospital and more hands make light work.

Adrian has reminded us about the Trash and Treasure Stall that will be held at Oakleigh market at the end of October so please let your friends and family know that when they do a big de-clutter, we would most appreciate some items that can be put up for sale. The items must be able to fit into a car boot. Please get in touch with Adrian or Terry if you need assistance in getting the goods to them.

ADG Tom Blair and his wife will be visiting our club this Wednesday. There is also a board meeting immediately following our regular meeting. Please keep in mind that members are always welcome to attend. Please let Paul know should there be any agenda items in need of consideration by the board.

The members of our Rotary club would like to keep Pat and Marilyn in our thoughts as Pat faces his health challenges. He is up for a chat or even an outing that will stop cabin fever setting in. Pat we look forward to having you back at a meeting when we have a social night and stairs do no have to be climbed.

Kindest regards
Rhonda McKenzie

MEMBERS ANNOUNCEMENTS

Update on Pat Lannan

As most of you will now know, our good friend PP Pat Lannan ended up in Cabrini on Christmas day and has been diagnosed with 'Myeloma'. This is a blood cancer and will require chemo every Tuesday and Friday for 12 + weeks. Pat was finally 'released' back home this week and welcomes visitors and phone calls. Obviously Pat is weak and must avoid infection at all costs so please keep your sniffles, coughs, etc at home!!!

Pat & Marilyn's home has been converted into downstairs living as Pat is no longer allowed to climb stairs, so we hope Robyn is able to arrange our 'social' nights at ground floor venues. We are so looking forward to welcoming Pat and Marilyn back and wish them all the best during these trying times. See you soon, friend Pat. Keep up your good fight.

Cheers
Ros

ROTARIANS PLEASE BUY A NON PERISHABLE FOOD ITEM FOR THE FOOD BIN FOR THIS WEEK'S MEETING.

If anyone has picture books for 0-5 year olds in their garage or attic that are in reasonable condition please let Glen Watkins know and make available for our Aboriginal Book Project. The books will be sent to families of children at Arlparro School, Utopia, NT which is half way between Tenant Creek and Alice Springs.
