President's Report for 11 November

This week I write the report whilst sitting at our Sunday market at Hamilton Place. It is great to be one of the ten members of the Club beavering away on the sausage sizzle or selling Christmas raffle tickets or answering the many and varied queries from the stall holders as the case may be. This market is important to our Club in so many ways. It is a place to interact with our community; a place to make money for our community projects and commitments both at the local and international level; and finally it is a place to enjoy each other's company. The market is the soul of our Club and what a great Club to be a part of. Last Wednesday we received a presentation from the CEO of Waverley Industries, Frank Cresia.

He is a big hearted man who has played a huge part in the growth and success of the 31 years of history of Waverley Industries. Their recent expansion into Hallam within the City of Casey is a really exciting development that Frank shared with us. This week we will meet at the **Waverley RSL** for a Remembrance Day combined meeting with the RC of Waverley. The key note speaker will be our fellow Rotarian, Brigadier Neale Bavington. **Please note that the venue is the Waverley RSL and not the Leighoak Club** as previously advised. See you then.

Kind Regards
Sean Darbyshire

MEMBERS ANNOUNCEMENTS

MAYOR OF MONASH GOLF DAY

The 2015 Mayor of Monash Golf Day was held at Riversdale Golf Club on a balmy Tuesday October 20th. This year due to some changes made by the organising Committee we had a record number of players (132) which is a vast improvement on previous years. The result was more revenue received from sponsors.

Some great golf and networking endured with some excellent scores recorded. The current Mayor of Monash Councillor Paul Klisaris was very supportive of the event, entering a team as a sponsor and participating throughout the dinner auction as well. Our auction was the highlight with the introduction of a \$200 share for the purchase of a mobility scooter for CPEC students. We anticipated we would get at most 10 donors that would enable the purchase of 1 scooter. In fact we raised sufficient funds from this auction segment to purchase 4.5 scooters! Two participants purchased one each for \$2,000!

In total we raised over \$50,000 this year which is a record and more than \$20,000 better than last year. Obviously the Organising Committee consisting of Rotarians from Oakleigh, Glen Waverley, Waverley, Wheelers Hill and of course Mt Waverley were very pleased with the end result.

CPEC as the primary beneficiary will now be in a much stronger position to continue the fine work they are doing assisting disabled children to gain mobility.

EARLY NOTICE OF MULTI-DISTRICT FUNCTION (Mark your 2016 diary)

To Club Presidents and Secretaries,

Everyone in District 9810 in particular, and Australia in general, is absolutely excited and delighted that our own Ian Riseley has been selected as RI President for 2017–18. We have been discussing an appropriate way in which to celebrate and acknowledge this achievement and to also farewell both Ian and Juliet as they set out on their two year journey.

Accordingly a multi-district luncheon has been organised for Sunday June 19th 2016. More details will follow.

The purpose of this advanced advice is to ensure that no club changeover functions are planned that would clash with this important event.

Cheers,
David Tolstrup,
District Governor, D9810
