Presidents Report for 12 July 2017.

We had an informative evening at LOC on 5th July where I spoke to members about my recent holiday experiences along with Jude in the Kimberley region of Australia. If you have not been to this part of Australia can I suggest that you put the Kimberley on your bucket list. Congratulations to past President Keith Kendrick for reaching the significant milestone of 20 years as a Rotarian.

We have had an offer from the Heart Foundation who would like to make a heart health presentation at one of our evening Club meetings. I have passed on the details to Robyn Morrow for consideration.

The Rotary Club of Pakuranga in Auckland New Zealand is running a 17 day Rotary Hospitality Tour of New Zealand in April next year and have invited interest from our members. Further details will be in this week's Bulletin.

The Waverley Music Eisteddfod is again being held from the 5th to 21st August and our Club is one of a number of sponsors. The Eisteddfod is run by a small but dedicated group of volunteers and they have asked if any of our Club members could offer their services to assist in any of the competition sessions. Generally the sessions are in the weekday evenings along with Saturday and volunteer time would involve around 3-4 hours. If you can help please contact me.

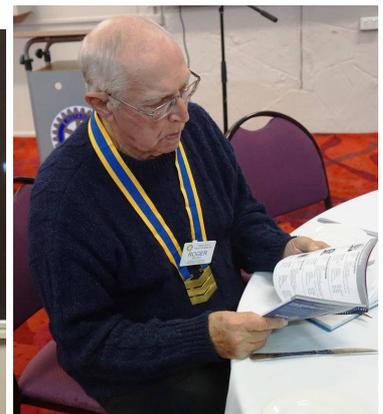

The LOC will be undertaking further building renovations to their premises in August and these renovations may have an impact on our meeting arrangements. I will update all members when more is known.

Just another reminder that the Club's AGM is being held on 30th August. I again encourage any members to consider taking on a Board position in the 2018/19 year.

Next week we have as our guest speaker Chris Brassington from Monash Waverley Community Information and Support and we will also be inducting our latest member MT Pang Tsoi. A Board meeting will follow at the conclusion of the evening.

See you next Wednesday
Geoff Logie-Smith

MEMBERS ANNOUNCEMENTS

VOCATIONAL SERVICE - Vic Pol Leadership Program

After nine months of determination and hard work Senior Sargent Yvonne Upton has now set a launch date for the Butterfly project. The Butterfly has a metamorphosis to produce a wonderful result and this is what's happening with the bicycles. They are refurbished and given to people in need. The result for them will be life changing in many cases. Not only from the benefits of having a great bike. The change of attitude towards police will be remarkable. The idea of police reaching out to the community to help them directly, for many people is unimaginable. And this is only the start.

Official Launch of the Butterfly project Monday, 7 August at 11am

Venue Fawkner Police Station

Recipient Victoria Semisi (a Year 6 student at Pascoe Vale North PS)

She will be accompanied by her parents

There will also be many high ranking police officers, the District Governor of Rotary district 9790, the President of RC of Pascoe Vale and many other Rotarians.

The Chairman of the Carinya Society (similar organisation to Waverley Industries). The Carinya Society are involved in the work to refurbish the bicycles. The Principal of Pascoe Vale North and some students as well.

The police media unit have also extended invitations to the Mayor, the MP for Wills, Derryn Hinch and others.

I shall also be attending.

Given that none of this would have happened without our club getting the ball rolling I would like us to also be well represented with as many members as possible in attendance. Please advise me if you can make it. The RC of Pascoe Vale and their district see this as a wonderful initiative. I want us to show up in numbers as well.

ROTARY INTERNATIONAL FELLOWSHIP

Dear President/Secretary,

While I appreciate that your Rotary year is probably over I am approaching you to request your assistance to contact your Clubs Members. Following our very successful '2017 Rotary Fellowship Tour' we are running a similar Tour again next April. We would therefore appreciate your assistance to ensure your Members get to consider this opportunity for 'International Rotary Fellowship', as well as to participate in our wonderful 'Rotary Tour of New Zealand'. Attached are the two documents we would appreciate you forwarding to your Members.

Thanking you in anticipation.

Yours in Rotary

ROMAC

Dear D9810 ROMAC Team,

I would like to take this opportunity to thank Carol Farmer, the D9810 'Philatelic Garbologist', for once again providing a wonderful donation to ROMAC from the proceeds of the sale of used stamps. On top of the \$7,650 she donated to ROMAC last Rotary year, Carol has donated \$6,859 to ROMAC for 16/17. A magnificent effort given the declining use of letters.

Many thanks to Carol, and to the ROMAC Team who supported her efforts, either personally or by encouraging your club members to get involved.

Whilst Carol had proposed to hang up her scissors this coming year, she has now decided to carry on to support RI President Ian Riseley's 'End Trachoma Now' challenge.

I encourage all our ROMAC team to continue supporting Carol's efforts. As she says, 'From small things, big things come'.

Regards

Yours in Rotary

Graeme

WHEELCHAIRS FOR KIDS

Hi Glen,

Kindly add the attached to the next Bulletin distribution.

It is interesting just how much is done for this great project by Dist. 9810.

I am proud to have been involved in its inauguration in our Dist. in 2000 and that its activities have been carried on by 2 dedicated Rotarians , Peter Klaaysen & Russell Hayes.

Thank you,

Adrian

ANNUAL SUBSCRIPTIONS

Are now due. Don't forget to pay Lyn asap but at the latest by 25 August.

FUNDRAISING – MW MARKET

What a cold miserable day at the Market today, well it was at 7am this morning. The rain held off however the chilly weather kept many stallholders away. Chocolate truffles and Personalised Dog Collars were newcomers today and were a hit with customers and will return in August. Food stall did well in particular the bacon and eggs and the sausages sold out. Terry and Roger enjoyed fossicking at the recycling refuse searching for marquee sides which were mistakenly thrown out as rubbish when they were cleaning up the trailer on Saturday. Thanks guys for rescuing them and perhaps this constitutes a fine ????????

Thanks to Robyn for sending down Keith with hot beverages and hope you recover from the dreaded flu.

Thanks to all who helped today. Many hands make light work.

Beth
