Presidents Report for 14 June 2017

Wednesday 7th. June. The meeting was attended by 19 members who listened to Prof. Tom Spurling tell us a very interesting story about the history of Australian Bank notes, and how we came to be the world first to change to Polymer notes, and then on sold to Canada and other countries. On Monday evening Robyn Morrow, Paul Power and myself went to an Indigenous Community support meeting to discuss the problems in Northern Territory with children having eye problems turning into Trachoma, which then can cause blindness. It will be a large Rotary project that will take 3 or 4 years to eradicate. We spend a lot of money overseas helping with water problems, but we tend to forget our own indigenous problems. Lets hope many clubs join

up and the public also get involved.

Cheers Keith.

**THEATRE NIGHT FUNDRAISER**

To all

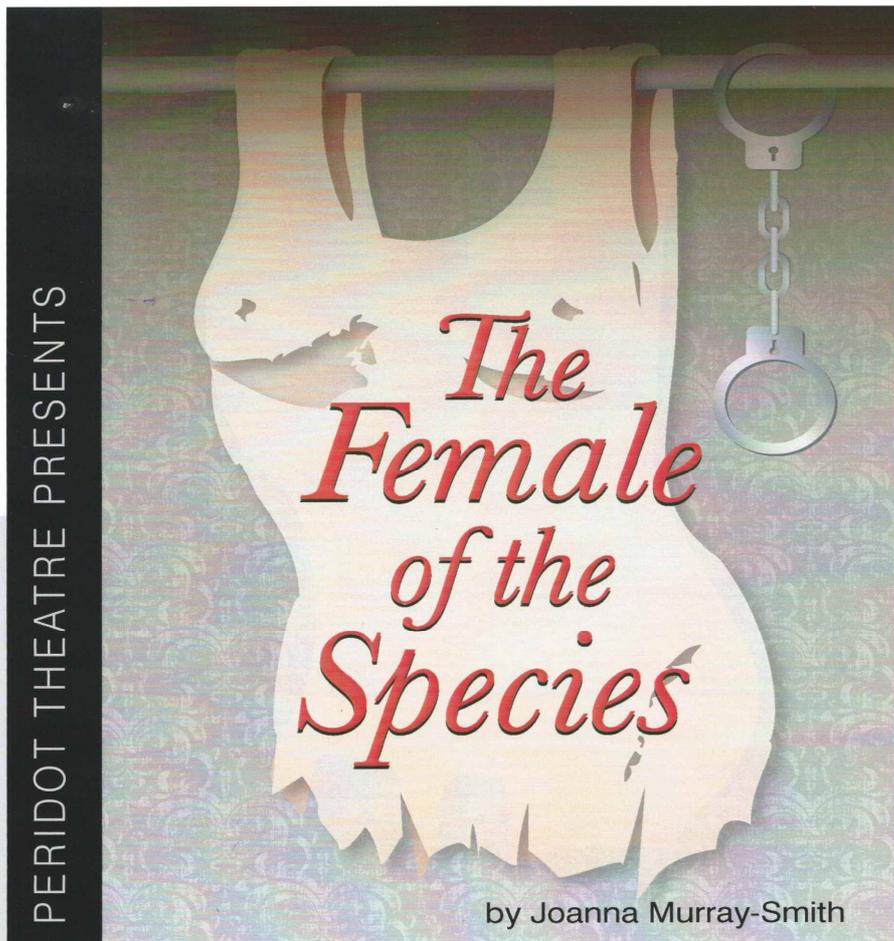

I mentioned that we have an opportunity for a theatre night this coming Thursday 8 June 2017. Many of you were not able to attend the meeting last Wednesday, so I am sending this attached leaflet around for your information. It is a while since we had a theatre night out together, and here is an opportunity to have a night out, and have a discounted ticket plus a proportion of the ticket money sent to our Club.

Roger (0418571696) rogermould@inet.net.au has volunteered to organise numbers and make a block booking for us.

If you would like to join us, please contact Roger OOB Sunday night

Regards

Terry

**Directed by Natasha Boyd**

Margot Mason, a thinly veiled version of Germaine Greer, has writer's block following publication of her groundbreaking polemic, *The Cerebral Vagina*, thirty years ago, when in through the windows of her country retreat steps one of her committed fans—with a gun. What follows is Joanna Murray-Smith's deliciously wicked comedy that deftly walks the tightrope between satire and farce.

Peridot advises that this show contains gunshots and occasional contemporary language.

Hi Glen, can you put some of this into the bulletin as it is going to be a big project that we are going to be involved in. Thanks Keith.

**Subject:** Re: Go D's greetings from The Indigenous AFL Round

AND ANOTHER VIDEO [Melbourne Football Club - Trachoma](#)

Hi all, greetings from Traeger Oval Alice Springs and the indigenous round, where Milpa the Trachoma Goanna has been running the boundary raising awareness on Trachoma. As the sun sets so it does on the Gold coast Suns and the mighty D's are kicking goals aplenty not only on the scoreboard but also for their support of Trachoma awareness programs. Some serendipity in organising this but good to see all the same.

["Through My Eyes" - Docker River \(Kaltukatjara\) NT. Clean Faces, Strong Eyes Trachoma Campaign](#) great Melb Uni program 2!

**FOUNDATION**

As we approach the end of the financial year if you would like to make a TAX Deductible donation to the Rotary Foundation then the attached notice will facilitate that generous desire. By giving you are able to perform the highest and most noble of acts - anonymous giving to an unknown recipient and being able to rest assured that every cent you give will be used for "Doing Good in the World". Please give what ever you can.

Thank you,

Adrian

(Club Chairperson for the Rotary Foundation)

**MT WAVERLEY MARKET**

After a cold frosty start this morning, the set up and placing of all stallholders ran very smoothly. Sale of the sausages and bacon & eggs were a bit slow to start, but then kicked off quickly with an overall profit of \$350.90. Because of the long weekend there were a number of stallholders missing but we still raised \$640. Thanks to everyone (and you know who you are) that stepped in to help while Beth was away enjoying the warmer weather. Lyn
