Presidents Report for 15 April 2015

If I have a bit of bias towards the guest speaker from Wednesday evening, I am sure you will understand. Philip McKenzie shared with us his experiences on his most recent expedition to Antarctica. This was a most amazing trip and I am sure that Philip's presentation gave you a further insight into this magnificent continent. I am sure he would be happy to share more photos with you if you have an interest.

Terry O'Brien has accepted an honorary membership of the Rotary Club of Mount Waverley which recognises the contributions that he has made to the club over the years. He has also agreed to recite one of his poems at our birthday dinner. Further details of this will be published soon. Please let Robyn know of any guests you feel should be invited.

I need to once again congratulate the committee and the club members for the magnificent effort at the Good Friday Golf Day. I believe that it has been the most successful to date raising over \$9,000.

For the benefit of those not in attendance at the last meeting. The proceeds of the fine session will go towards purchasing groceries for MWCIS (Monash Waverley Community Information & Support Inc). Terry delivers groceries each week to MWCIS and he is happy to do a grocery shop on the way. Thank you Terry.

I would also like to wish our members who are off on holidays to have a great trip and stay safe.

Kindest regards
Rhonda McKenzie

DISTRICT

Subject: Event Additional Help Needed !!!!! Sat 18th April

Dear 9810 President

As you are all aware there is a Rotary organised Guinness World Record event called Glow for Good next weekend. These events have multiple auditing and require a large support staff to meet the GWR requirements. Currently we are short event marshals and are emailing Clubs to see if some of your members could make up a car load and come and help. Full details are attached - is it possible to email this out to your members so they don't hear about it for the first time at next weeks meeting? We have a lot of Clubs and 1200 Rotarians in our District and with a bit of help from you all we could get the numbers we need. It would be a shame after all the effort to set this up we miss beating the current American record on a technicality of "not having enough marshals".

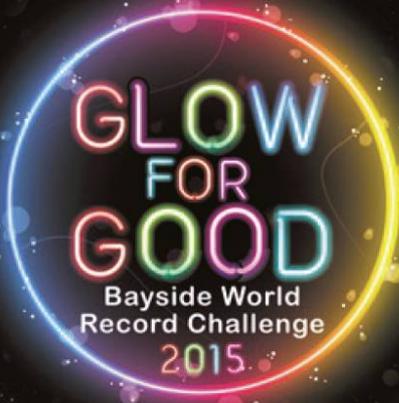

Please see if you can help and Light up Rotary

Kind regards

Dick

Rotary Guinness Word Record event Saturday 18 April

Urgent Rotary Help Needed

The Rotary “Glow for Good” event is a combination of celebrating 110 years of Rotary and a “Guinness World Record” attempt lighting up Glow Sticks. It’s a fantastic community and family event.

To gain the world record we need 40 independent marshals - but they can’t be our Club members. We are currently well short of this number so we urgently need more assistance from Club around District 9810 for marshals.

Event Profile:

Date: Saturday 18 April at Trey Bit Reserve, Jetty Road, Sandringham - Mel: 76 F8

Time: 4.00pm to 7.30pm

Task: To take a group on to the beach and assemble them in a pre-designated location. Monitor that they light their Glow Sticks at the set time. Lead your group off the beach.

If we could get a car load of volunteer marshals from your Club we can meet the Guinness World Record requirements. Volunteers can be Rotarian, Partner, Family and Friends.

Please coordinate with your Club President or email your confirmation to:

Michele Drysdale: Email: michele.drysdale@gmail.com Mob: 0413 843 310

Please come and enjoy the event - help us break a World Record - Light up Rotary

Kind regards

Dick Garner
