**Rhonda's Report (from Terry R for 15 October 2014)
Acting President's Report**

Last Wednesday President Rhonda was unable to be with us, so as On to Conference Chair, I welcomed Brian Tyedin, from the District Conference Committee. Brian provided an excellent presentation on next year's Conference, to be held from Friday 13 to Sunday 15 March 2015 at Federation University, Mt Helen Campus, Ballarat (formerly Ballarat University), using a purpose-built auditorium (The Caro Convention Centre

I will be sending out more information shortly, including some accommodation suggestions. While we were hosting Brian, Don Guest was attending the semi finals of the four way speaking contest, on our behalf. I have previously reported that two of our sponsored candidates made it to the semi finals.

I am pleased to report that one of our students, Shailja Sharma (pronounced Shellja) has made it through to the final , which will be held in November (date TBA).

Remember that this week our normal Leighoak Club meeting has been suspended and we are having a social night at the Waverley RSL. Contact Keith or Robyn if you require more information. Keith is looking to finalise numbers if you haven't already responded.

I heard from Graham Bristow this week that his father has just passed away. I know that all of our thoughts are with Graham at this difficult time.

ROMAC

BRADLEY'S STORY

Bradley Bola was born in Papua New Guinea on 17 Dec 1996 with Crouzon's Syndrome. The major problem with this disease is that some bones of the skull and face fuse and therefore do not grow normally during foetal development.

Bradley was first brought to Melbourne by Rotary Oceania Medical Aid for Children (ROMAC) for treatment in 1998 and then again in 2006. During this second visit Prof Andrew Heggie performed major craniofacial reconstruction at Royal Children's Hospital in Melbourne, to enlarge and realign Bradley skull and facial bones.

This kind of surgery cannot be performed in Papua New Guinea and without it, Bradley's face and brain would have been compressed as he grew.

BRADLEY AND HIS MUM, NELLIE

Bradley is now 17 years old and has done well at school. He has just completed his year 10 exams at Mount Diamond School, Port Morseby.

Bradley is now almost an adult had has been suffering from headaches due to high pressure inside his relatively small skull. He also has problems closing his left eye.

BRADLEY AT 17 YEARS OF AGE

Bradley now needs mid facial advancement surgery, which Prof Heggie has kindly agreed to do free of charge on Saturday 25th October at Epworth Richmond. The surgery is expected to take about 6 hours

Epworth Hospital is providing the bed and theatre and is covering most costs for the surgery, so we thank them.

Bradley and his mother, Nellie, stayed with Teresa and Michael Cox of Vermont previously and they have kindly offered to host them again, with support from the Rotary Clubs in District 9810 and the Papua New Guinea Australia Association, of which Teresa is secretary.

Teresa was born in PNG and having a host who knows their culture is wonderful for Bradley and Nellie.

Bradley is due to arrive on 19th October and will stay in Melbourne for 4-5 weeks.

VOCATIONAL

Update next week.

INTERNATIONAL

The Lotus Children's Centre in Mongolia was established 20 years ago by an Australian woman Gabrielle Dowling, known in Mongolia as Didi Kalika.

For seven of the past eight years, our Club has supported Lotus with goods including warm winter clothing and blankets, together with footwear, sporting, educational and pharmaceutical goods. Due to the changed circumstances where free freight was no longer available, the Club has continued its support for the past two years via the Sponsorship of a student.

The Rotary Club of Mount Waverley also coordinated the purchase of a 30 seater bus for Lotus with a Matching Grant through TRF.

Our sponsored student is Battsetseg (photo and letter attached). She sounds like a typical teenager who likes swimming, listening to music and going shopping. She would like to hear from members of our Club. For further information please speak to Rhonda.

Letter from Battsetseg written in September 2014

Dear President of Rotary Club of Mount Waverley

Hello. How are you? I'm writing you to contact you. My name is Battsetseg. I'm 15 years old. I study at Togsdelgeresh and I am currently in 10th grade. My hobbies are swimming, listening to music and shopping. I wake up at 6.00 am and at 6.40 I go to school and finish at 4.00 pm. My summer holiday was very nice.

Thank you for sponsoring me. It's now almost winter in Mongolia. I hope to go to University in 3 years time. I look forward to hearing from you. Write me back.

*Yours
Battsetseg*

ITEMS IN GOOD WORKING ORDER THAT CAN FIT INTO A CAR BOOT FOR PICK UP ARE REQUIRED. WE NEED SMALL FURNITURE ITEMS, ELECTRICAL GOODS, KITCHEN WARE, GLASSWARE, ANY ITEMS THAT WILL BE OF VALUE TO SOMEBODY AT THE MARKET. PLEASE DON'T DONATE ITEMS THAT ARE BROKEN, OVER TEN YEARS OLD OR GENERALLY IN POOR CONDITION, AS THIS ONLY PRESENTS US WITH A DISPOSAL PROBLEM.

Until the sale date, goods may be delivered either to me or to Terry Roche. The goods will be stored at the Club's storage facility. Goods will be sold at Oakleigh's Sunday market probably utilising 2 car spaces. Terry Roche and I have agreed to provide us with a site and will generally support us with this project.

WE WILL REQUIRE SALES ASSISTANCE ON THE DAY. PLEASE NOTE THIS DATES IF YOU CAN ASSIST.

Les Twentyman OAM

Youth Outreach Worker
Social Campaigner
Media Commentator
Author

Speakers Brief

Les Twentyman has been on the frontline of heartbreak and hope for over 30 years. As one of Australia's best known youth outreach workers and social campaigners, Les has developed his expert opinion the hard way - on the street.

Raised in Braybrook in Melbourne's West, Les has devoted his life to young people doing it tough, predominantly in but not restricted to, Melbourne's Western Suburbs.

Les is widely considered an expert on a range of community issues including youth homelessness, drug abuse, prison reform and social welfare. He is the first stop for Victorian and national media outlets for the word on "how it really is". He has featured in hundreds of television, radio & print press interviews and has been a regular newspaper columnist and article contributor. He also features in a number of documentaries, most notably "The Ohio Gun Buyback Scheme", "LA Gangs", "Can We Help", "20 Minutes with Twentyman" and "Heroin Without the Hype".

Since returning full-time to his first passion, The 20th Man Fund, he has shone a light on emerging youth issues like gang violence, weapons carriage, cyber bullying and the growing trend of truancy in our education system. The hard-hitting DVD "The Realities of Cyber Bullying" and Community Service Announcement - "Knives Trash Lives" are testament to Les' "pull no punches" approach to the damage caused to youth through peer pressure and social media.

Les is often called on to visit volatile regional areas of Australia in a bid to bring about harmony and cooperation where gangs and youth violence is a problem. He has also accompanied the Governor General, state Government ministers and leaders of industry to the 'mean-streets' of Australia they never thought existed.

In addition to his tireless work with disadvantaged youth and media commentary, Les is a well credentialled public speaker. His speaking engagements include schools, community groups, service clubs, corporates, Government Departments and business conferences. He has also been engaged by AFL and NRL clubs to address young players on the pitfalls of "celebrity". A testament to his reach was Les being asked by the Dalai Lama to introduce his Holiness at his Melbourne conference in June 2013.

Les is the founder of the 20th Man Fund, established 1984. The organisation is dedicated to providing educational, sporting, leadership, emotional and crisis support services to our homeless, disadvantaged and disconnected youth.
