PRESIDENTS REPORT 15 FEBRUARY 2014

Not too much to report this week. Our Social night which ended up being upstairs in our normal room seemed to be enjoyed by all. Unfortunately, it was Board meeting night, and as a couple of Board members had to leave early, I decided to hold the Board meeting over dinner, so I apologise for your Board not being able to “socialise”. There was much on the Board meeting agenda. We agreed to donate \$500 to Down Syndrome Victoria, and we also have progressed our proposal for the Anzac Centenary project application that I have spoken about previously.

Also, since 1986, cycling Rotarians, partners and friends of Rotary clubs of District 9810 have been undertaking 700km-plus bike rides to raise funds for medical research projects in conjunction with the annual District 9810 Conference. Our District struggled to find support staff this year and once again Geoff Taylor stepped in. We have agreed to support this with \$550. However I have proposed to our District that this be funded in future out of the District budget. On Thursday, Don, Paul and I hosted three senior teachers at the annual Youth Services Seminar; at which past participants speak on each of the Youth Services programmes Rotary offers. I am a harsh judge of such seminars and this is always one of the better ones, and a very effective way of keeping local senior school teachers in touch with our club and our sponsorships.

I am looking for somebody to take on the planning for the Good Friday Golf day. Step up please – you will not be thrown in the deep end as both Ron and Don have agreed to continue in a support role. They want to step back a bit and this is an ideal opportunity for a new member to take on a role, ably assisted and mentored by two committed to this very worthwhile project. Arrangements at Leighoak Club have changed. Our night where we don't have access to the upstairs room has changed from the second Wednesday of the month to the third Wednesday. **NEXT WEDNESDAY IS IN THE BISTRO.** We will have the same meal arrangement in place \$22.00 for the meal of the night. Microphone and AV equipment for the speaker will be there. I will be visiting the Club on Wednesday afternoon to satisfy myself that the setup is satisfactory. Our presenter this week is Sue Mould, who is going to explain one of the most demanding and disciplined card games, Bridge, and expose a few myths about the game along the way. Let's have a good roll up and as it's in the Bistro, those with tennis related injuries will have no excuse for non attendance!

Until Wednesday
Terry

Dear Paul Power

CLEAN UP AUSTRALIA DAY 2014

This year Clean Up Australia Day will be held on **Sunday, 2 March 2014**. We would love to invite your group to participate in this positive community event.

Since 1992, Clean Up Australia has been inspiring communities to care for the environment by holding their own Clean Up event. In 2013 an estimated 550,300 volunteers removed 16,150 tonnes of rubbish at 7,341 sites right across the country. Over 20% of these items were recyclable. We want to see this continue to grow in 2014.

If your group is interested in participating in Clean Up Australia Day 2014, please contact April Williams on 9518 3774 or email aprilw@monash.vic.gov.au for assistance in registering for this event.

Alternatively register your event at: <http://www.cleanupaustaliaday.org.au>

Thank you for your support.

Yours sincerely
