Presidents Report for 2 August 2017.

We had another great Wednesday night meeting at LOC and our guest speaker was Jeff Steel from our District 9810 Membership team. Jeff spoke about the importance of 'Get our Message Out' to our Community using our Club communication resources such as the Website and Face book. He emphasised that these means of communication must emphasise the project work we do within our Community and to send our message out with less words but more photos. Much to think about and will be taken onboard by our Media/Pr Committee as part of our media review.

Can I once again make mention of our change in meeting venue. From the 3rd August until the end of August we will be meeting at **Waverley Industries located at 372 Ferntree Gully Road Notting Hill.**

Fiona is emailing all members on the Thursday prior to the following week's meeting asking whether you are coming to next Wednesday's meeting. **Please help Fiona out by responding as requested and on time so that she can in turn pass on the numbers to WI for catering purposes.**

Rhonda McKenzie and I attended the Rotary Club of Monash breakfast meeting Wednesday 26th August. The meeting presentation was from the RC of Melbourne Park, a relatively new Club, and is promoted as a 'Young' Rotary Club with a membership age focus on 20-40 year olds. The Club President spoke about their different approach to running Community projects and the innovative and fresh approach to holding meetings along with their use of social media as the prime means of communicating with members. Something to consider.

The **Waverley Music Eisteddfod** is again being held from the 5th to 21st August. If anyone in the Club can offer their services to assist in any of the competition sessions please give me a call.

I have previously mentioned that the **Club's AGM** is being held on 30th August. Our Club Secretary, Paul Power, will send all members a formal notification regarding the AGM.

Hayley Dureau from Mount Waverley Secondary College will be our guest speaker on Wednesday night 2nd August and on the 9th of August we welcome the District 9810 Governor Malcolm Chiverton. There will also be a Board meeting following our visit from the Governor.

Those members wishing to attend the official launch of the Victoria Police's Butterfly project being held at Fawkner Police Station on Monday 7th August at 11:00am are urged to contact Andrew Sendeckyi. It would be great to have as many members attend the launch to support this fantastic project.

See you next Wednesday

MEMBERS ANNOUNCEMENTS

PLEASE SAVE THE DATES

Trivia Night – Saturday, 7th October

Calcutta Night – Wednesday, 1st November

IMPORTANT ANNOUNCEMENT

Would all Club members please be aware that the **LOC will be closed** for renovation for all of August.

All August meetings will be held in the function room of WAVERLEY INDUSTRIES located at 372 FERNTREE GULLY ROAD NOTTING HILL.

There will be an evening meal provided and will consist of 2 courses for \$25.00 per member and there will be a liquor licence for BYO and drinks to purchase.

Fiona Cleary will as usual handle dinner bookings and dinner payments on the night however attendance arrangement will be different to those at LOC. Members wishing to attend the Wednesday night meeting will need to confirm with Fiona their attendance by midday of the previous Friday. This arrangement is a specific request from Waverley Industries to assist them in their catering needs and we do need to adhere to this procedure to ensure those attending are catered for with a meal.

Please be aware that Waverley Industries have a minimum requirement for the number of guests and that is 20 members. I would ask all members to support our Club and Waverley Industries during these 5 nights in August.
