Rhonda's Report (for 2 July 2014) – Transcript of Rhonda's Opening Presidential Speech to Members on 25th June.

"I cannot say another word tonight before I let Terry know that I think he has been an excellent president and he should be very pleased with his year. You stepped into the role when the club needed you and you performed exceptionally. Sincerely Terry, well done.

Rotary for me is simple. It is about doing some good in the world and having the privilege of doing this with some very kind hearted people, and an added bonus is that I enjoy spending time with those people.

International President Gary Huang has used "Light up Rotary" as this year's theme. He used Confucius words "it is better to light a single candle than sit and curse the darkness". These words truly represent Rotary because we do light up lives where there has been darkness.

So how can the Rotary Club of Mount Waverley do its bit to "light up Rotary"?

Firstly, we need to have a team in place that is committed to the task.

Your board for this coming year consists of:

Terry Roche - Immediate past president
Malcolm Clowes - President elect
Lyn Walker - Treasurer
Paul Power - Secretary
Katherine Thomas - Club service
and myself as Current President

The Avenues of Service Chairs are:

Community - Beth Merkus
Youth - Terry Roche with the guidance and assistance of Don Guest
International - Jeff Guy with support from Geoff Taylor
Vocation - Malcolm Freeman
Club Service – Katherine Thomas

Other Important Chairs are:

Foundation - Adrian Clifford
Membership - Ros Clowes
and Club Sergeant – Pat Lannan

Secondly, we need to increase the size of the active members of this club whilst retaining and appreciating the value of the knowledge of our senior members. In the coming weeks Ros and I will be sharing with you some of our thoughts on how we can achieve this.

Thirdly, we need to raise money to fund some of the projects that we would like to support. This involves but is not exclusive to the following:

Mt Waverley Market. Beth and Malcolm Freeman are going to work together to put the right plan into place so that the market can again be a good money earner for the club.

Oakleigh Market. Continue to support the Rotary Club of Oakleigh with the manning of the caravan at their weekly Sunday market.

Good Friday and Mayor of Monash Golf days. Have the team in place early to ensure that these get the maximum return for effort.

Our Calcutta. Huntingdale Golf Club has been booked for this event that has been an enjoyable get together and fundraiser for some time now. How do we make this an even better event? Once again have the team in place early so that we can maximise the outcomes.

Finally, what projects are we going to support? These will be clarified in the coming month with the following being in the mix:

- The disadvantaged children's Christmas party
- Contributing to the building of the library for the community in Siem Reap Cambodia
- Support and encourage the youth to become tomorrow's leaders through the Rotary Youth Programs
- Re look at the awards that we currently support and determine whether they are still appropriate
- Grocery collection for MWCIS
- Investigate whether there are any other hands on activities that we can support MWCIS with.
- Investigate whether there can be a cluster approach to Vocation rather than at an individual club level where clubs flounder

We will of course continue to support the Rotary International projects such as Polio Eradication and Rotary Health along with others.

Ros said in her year that she wanted us to have a fun year, well we did. Terry wanted to stabilise and settle the club, and he has.

So let's use this coming year to increase our ranks, and share all the things we do with other kind hearted people and whilst doing that continue to enjoy the wonderful camaraderie that we have."
