President Report for 20 May

Sometimes we forget that we have members of the Monash Community that do not fare as well as the rest of us. Chris Brassington from Monash Waverley Community Information and Support brought this home with his words at this last Wednesday's Club meeting. He let us know that the numbers requiring assistance are up on previous years. They have over 800 families now requiring some form of assistance and the funds that MWCIS can only stretch so far. Chris thanked our club for the

Support that we do give them by way of the weekly grocery collection, the sergeant's fine money purchasing groceries and the assistance we give with the Second Bite program. Chris also thanked us for the Children's Christmas Party which is eagerly looked forward to by many families.

On another of our smaller projects, we have now collected approximately 20 Coats and Jackets for the Salvation Army. Once again would you please have a look in your wardrobes and if you haven't worn it in the last five years, you are unlikely to, so a donation might be a great way of creating room for the newer fashions. Philip will be collecting these at each meeting or you are welcome to drop them around to our home.

We have an almost new trailer. The trailer used for the market has had a face lift thanks to a very kind assistance of Carmic Trailer Repairs.

This highlights to me that we may be able to have other things sponsored by people who are only too willing to assist. Keep the thinking caps on with this one.

Leonie has agreed to do the Certificates of Appreciation. We would like to not only acknowledge the guest speaker but also members of the community who have supported us or projects that we have an involvement in. Would you please let Leonie know should you require one of these certificates. It is the intention to have these framed.

The ANZAC Centenary project is well underway. On Friday the official launch of the project took place. Anna Burke MP and Councillor Rebecca Patterson joined Council staff and members of our Club to see this project commence. It should be complete by the end of June. We would like to acknowledge the support from the staff of the Monash Council as well as the office of Anna Burke. We received the largest single Grant in the Chisholm electorate. This project was initiated by Paul Power.

Leading on from the previous item, it is always preferable that we have projects that are initiated by members so please always feel free to bring up projects that you would like considered by the club.

I seem to be saying thank you to individuals recently but please know that every person in the club does their bit and every single effort is appreciated.

This week is a social night at Leigh Oak.

DISTRICT ASSEMBLY

On Sunday 17th May PE Sean, Adrian, Glen, Lyn and Leonie attended the Rotary Assembly in Mordialloc. Similar to previous years it was attended by around 300 Rotarians from the district. The plenary session presented the new Rotary Year Theme of "Be a gift to the world" and the Emblem opposite. Our incoming RI President is Ravi Ravindran from India. His address can be found at

<http://www.rotaryfirst100.org/presidents/2015ravindran/theme.htm#.VVghwvmqgko> .

We then broke out into Avenues of Service groups for an hour to discuss some of what each club is doing for each of the Avenues of Service. We then had a working lunch amongst our clusters to discuss how we could address the Rotary ideals of Service for Healthy Communities, Educated Communities and Safe Communities. The Assembly finished at 2pm.

CLUSTER PROJECT

Hi All

You are invited to attend the next meeting of the Monash Community Service Group to be held at Best Chance, Ferntree Gully Rd, Glen Waverley on Wednesday 20 May at 7 PM.
