Presidents Report for 22 February 2017

Last Wednesday was a social night for most members but Robyn, Loretta, Geoff L-S and I went to the Koala Kids fund raising meeting with 230 other people. They do a wonderful job looking after Kids with cancer and we came away very impressed with the way that they work. Our monthly Market was hampered by Melbourne having a 4 season in a day event, but we did sell all our sausages and egg and bacon muffins, so well done to the market team. We will be taking the pressure off the BBQ workers and have 2 teams for each BBQ relieving after 2 hours instead of 1 team having to freeze or boil for 5 hours. The meeting this week is an information night on how the club is going, specifically looking at club structure. It would be good if all members could attend as we value your input.

Cheers
Keith

COMMUNITY SERVICE

Donation

Members will be aware that some 18 months ago the Club contributed to the purchase of two defibrillators for Waverley Industries Ltd.

Waverley Industries is an employer of over 230 disabled employees on two sites, one in Notting Hill and the other in Hallam.

Occasionally, our club uses the facilities of W.I.L. in Notting Hill as an alternative dining venue.

It was decided that the plaques featured below would be attached to each of the defibrillators to promote Rotary in general and the Mount Waverley Club in particular and to honour the memory of past members.

ROMAC

Dear D9810 ROMAC Team,

All went well with the arrival of Fidelcia and her mother, Hernania, on Wed evening. Our interpreter, Lidia Soares, accompanied them to Liz Olie's home and they settled well into their new environment.

Yesterday was not as plain sailing. After a 9am start at RCH for her pre-admission clinic, it was determined that Fidelcia be admitted to hospital, which happened around 12.30pm. Over the previous 24 hours she had contracted a severe chest infection, bordering on pneumonia, which must be resolved before her heart surgery can be undertaken. She was admitted to Koala Ward, Room 324, where she was set up with IV medication and fluid, tubed for food and given oxygen. She was resting, and Hernania had settled into the hospital routine, by 6.30pm. Unfortunately, her breathing did not improve overnight and early this morning Fidelcia was moved to ICU as a precaution.

Liz Olie is with them today as we await news of Fidelcia's progress.

I will keep you informed as I know more.

Regards

YIR

Graeme
