**President's Report for 23 September**

We had another packed house at this week's meeting and for good reason with such a fantastic speaker, namely, Neil Williams, from the RC of Waverley. Neil's presentation was a step by step first hand account on how to start an Interact Club. His experience was derived from the lead up to the recent granting of a Charter for the Interact Club of Ashwood Secondary College. As Neil informs, the granting of the Charter, although a journey in itself, was only the start. Neil and his Club remain on the journey (now with 42 students) and derive significant immense satisfaction watching our young citizens learn hands on the importance of service to community. As for our own club, we will continue to watch this space closely as

Geoff Logie-Smith and Terry Roche lead us on our own journey toward the Chartering of a new Interact Club. Whether this takes us twelve months or three years, it doesn't really matter so long as we do it right. The number one and non-negotiable ingredient, as Neil reminded us, is to find a school where there is both a student and a teacher who want to make this happen. Without these two champions from the outset, there is no foundation to build upon. Whilst on the topic of youth, the next meeting will have the same flavour with our guest speakers being from the recent RYLA Camp. Once again it will be great to have a packed house for their presentation!

As an aside to the above...here are some more dates to add to your diary:

- A reminder for contribution of goods and for volunteers in support of the **RCMW Garage Sale** that will be held at the RC Oakleigh Sunday Market on **22 Nov 15**. Adrian Clifford has lead hence do not hesitate to get in touch with him to either volunteer your time, or goods, or both.
- Informal advice of the **RCMW Annual General Meeting** that will be conducted on **Wed 18 Nov 15**. As we get closer, Paul Power will release the required formal notification in conjunction with the agenda.

See you one time at this week's meeting before handing over the reins for five to six weeks to the safe hands of Keith Kendrick.

Regards  
Sean Darbyshire

## MEMBERS ANNOUNCEMENTS

### COMMUNITY

#### Indigenous Project for Arlparra School community:

My sister Lisa is collecting second hand clothes - adult track pants, t shirts, and clothing for kids 2-8. They also need black and white clothing which is worn for funerals. They have an Op Shop up, and going well, so Lisa is looking to keep it stocked. She will take any good condition clothing, collected at the speaking engagement at the club on 30th September.

If members could put aside any of above and bring on the night (or beforehand if that suits) I would appreciate it.

Glen Watkins  
Community Service Chair

#### Child & Family Care Network & City of Monash – Voice of the Child Forum

Hi All

I have attached an invitation to an important community event in the city of Monash to be held on the 28<sup>th</sup> October. It is during the day so I am unable to attend, but it would be great if someone from the club could represent us. Please advise if you would like to attend (but also please complete the registration if so).

Thanks  
Glen Watkins

#### MWCIS

Fundraiser Christmas Cards commence sale on Monday 19 October 2015. Available at 6 Holskamp st Mt Waverley. Also to clarify the Coles pickup process for Fridays could volunteers please not get to Holskamp st before 9.30am because that is when they open. If goods are left at the front before that time then early customers who arrive before 9.30am (and wait in line) tend to take the lot rather than allowing it to be spread around to all customers who arrive through the day. So best to not get to Coles before 9.15am.

Thanks  
Glen Watkins
