MEMBERS ANNOUNCEMENTS

ROMAC

Dear D9810 ROMAC Volunteers,
 Three ROMAC patients will be arriving in Melbourne soon for heart operations at RCH. We have been allocated Joana who is having a PDA closure, the same as Fidelcia; but hopefully without the other respiratory complications that Fidelcia encountered. My thanks to Dianne and Gavan McIntyre (RC of Wandin) and Kay and Phil Leck (RC of Boronia) who have agreed to home host Joana, and her mum Alice, during their time in Melbourne. Joana is 5 1/2 years old. Once I know more about their arrival I will let you know.
 Regards
 YIR
 Graeme

Dear D9810 ROMAC Volunteers,
 Over recent days I have sent emails, as below, to clubs who have not as yet donated to ROMAC this Rotary year, asking if they would consider us when making their end-of-year disbursements.
 "Dear President and International Service Director,
 As we near the end of this Rotary year, I am writing to clubs who have not as yet donated to ROMAC to ask if your club would consider ROMAC when reviewing your end-of-year disbursements.
 Your D9810 ROMAC Committee has had a particularly busy year in 2016/17 with three patients hosted within the District for 5 months whilst undergoing life changing medical treatment at Monash Medical Centre, St Vincent's Private and the Royal Children's Hospital. Further, the arrival of another child this Rotary year is imminent. Whilst the ROMAC volunteers within D9810 are more than pulling their weight at the 'sharp end' of ROMAC, i.e. tending

sick children, the donations from our clubs that help support this activity have been trending down over the last few years; with only 17 clubs donating a total of \$18,800 last Rotary Year. For some reason, the efforts made by ROMAC within the District seem to go unnoticed.

In order to give our District clubs something more obvious and tangible to support, the D9810 ROMAC Committee has set a goal for D9810 clubs to:

'SAVE THE LIVES OF TWO ROMAC PATIENTS EACH YEAR'

As the average cost per ROMAC patient is around \$25,000, it would be an outstanding result if we could say that D9810 clubs were directly responsible for giving life to two extremely ill children from countries less fortunate than our own.

In years past, your club has supported ROMAC and any donation you could make this Rotary year would be greatly appreciated. The clubs shown below have donated to ROMAC this 16/17 Rotary year:

Beaumaris Mordialloc

Bentleigh-Moorabbin Noble Park

Clayton Nunawading

Dingley Village Ringwood

Doncaster Upper Yarra

Healesville Wandin

Lilydale Warrandyte-Donvale

MASH Moorleigh Moorabbin

Currently, there are 44 children on the ROMAC waiting list and the equation is simple – the more donations we receive, the more children we can save!

If you are a member of a club not shown above, would you please support our cause and encourage your Board to help ROMAC do its life saving work.

Regards

Yours in Rotary

Graeme

DISTRICT ASSEMBLY

Hi All,

Our District is running a Training Assembly for all Club Officials and interested members on Sunday 21st May at Deakin University in Burwood commencing at 9:00am and scheduled for conclusion at 12:15pm.

The Assembly will be very informative for all Avenues of Service/Committee Chairs as well as Club members and will include an outline of RI and District plans for the new Rotary year along with those of the District Committees.

Please give the Assembly your due consideration and let me know your availability prior to the 28th April. Refer attached flyer for more details. **PLEASE RSVP TO GEOFF L-S NO LATER THAN 28th APRIL.**

Regards Geoff L-S

POSITION VACANT

Our Club, like so many other Rotary Clubs, often falls short when it comes to promoting to the local community what the Rotary organisation is, and in particular what our club achieves locally and internationally. We need a member or members to volunteer as a public relations, marketing co-ordinator for our club. We envisage that the role will include increasing our presence via local media, local government, and any other appropriate medium. Our Club has a website and a Facebook page, and content and structure suggestions for both will be most welcome. The position will involve liaising with committee chairs to achieve common promotional objectives. Help promote your club to the community, and prospective members. If you are interested, and would like further information, please contact President Elect Geoff Logie-Smith, as he is most keen to have this position filled by changeover night.

PROGRAMME

There's an article in Leader of Tues 18 Apr re Associate Professor Craig Hassed – re Mindfulness – 'helps people function better, be more effective and make better decisions.' Craig will be speaking to the club on 10th May.

FUNDRAISING – BUNNINGS BBQ 23 April 2017.

Great day for a Bunnings BBQ, in fact it was quite warm and we sold heaps of sausages. Haven't taken out expenses yet but it looks like we took approximately \$1145. Thanks to our team, Charlie, Rob, Michael, Geoff LS, Adrian, Lyn, Mara, Fiona, Ros & Malcolm, Geoff T, Terry & Jan, Great effort Rotarians, thanks a million.

COMMUNITY – ANZAC CENTENARY WALKWAY GETS A SPRUCE UP

The ANZAC Centenary Walkway in the gardens of the Mount Waverley Community Centre was today given a makeover in preparation for ANZAC Day 2017.

The walkway, funded by the Commonwealth Government was built in 2015 as a joint project between the Rotary Club of Mount Waverley and the Monash City Council. A feature of the walkway is five wooden arches made of ironbark to reflect the materials used by ANZAC diggers in World War 1.

Although the timber arches are expected to weather well for many decades, club members decided to re-apply a timber preservative to the arches as additional protection. Plaques along the walkway signifying the major battles fought during the war were also given a clean.

Paul, Charlie, Geoff L-S, Sean and Terry all pitched in, and the job was completed in two hours. Thanks also to Beth for the refreshments.

Terry
