President Report for 3 June

Ros Clowes was a fantastic guest speaker for the club last week filling in when required. It is not easy speaking in front of your peers. The talk was both interesting and informative. There was great discussion around a much highlighted public topic. Well done Ros.

David Nelson is going to be inducted into our Rotary Club at our 30th Birthday celebration and will be a most welcome addition to the club. David's wife Wendy will also be at the meeting.

The ANZAC Centenary project is well underway. It is still on track to be completed before the end of June. Some photos are in the bulletin below, for your perusal. If you are out and about call in and have a look.

Last call for coats. They will be dropped off at the Salvos this week. We have about 30 coats/ jackets to date. Please drop any off at our home by Wednesday if you are still deciding whether to give some loved coats a new home.

Discussions were held at the meeting around whether we would or would not support Baker IDI for another three years. There was overwhelming support for the continued support. The club will make decisions on an annual basis rather than commit the club to future obligations.

This Wednesday evening we will be celebrating at the Glen Waverley RSL, our 30 years anniversary since our club was chartered. Ron Thorpe has agreed to chair the evening and Terry O'Brien will entertain us with one of his poems. We will be joined by ADG Tom Blair and several members of the Waverley Rotary Club who were responsible for setting up the Rotary Club of Mt Waverley. We have a total of 61 attending the evening. Thank you Robyn for arranging the evening at the RSL and Philip for the chasing of numbers over the past week. Dress Code: Business Casual, no denim please. It would be nice to dress up a little for this evening.

One again I will mention that the changeover night will be on 1st July. We always welcome partners to attend these evenings that are as much about the people as it is about the club. These events foster good club culture. Depending upon numbers, at this stage we are planning this event to be held at Leighoak.

Terry O'Brien is on the mend as is Paul Power. Pat Lannan is not so good and is in Cabrini Hospital for a while longer. Please call Marilyn prior to visits so that she can let you know whether Pat is up to it and also controlling the numbers.

Kindest regards
Rhonda McKenzie
