Rhonda's Report (for 3 September 2014)

One of the great pleasures of being the President of the Rotary Club is that I get to do some of the pleasurable things like induct our newest member Andrea Martino. Andrea, welcome to our club. We look forward to working alongside you in community service. Beth is looking forward to having you on her team.

Michelle Taylor from Mount Waverley Secondary College was our guest speaker. The defibrillator delivers a shock to get the heart back in order following Sudden Cardiac Arrest. It really is also good to know that a shock cannot be accidentally delivered. Michelle spoke of why having a defibrillator at the school would be beneficial; it would not only be useful for children, as age does not exempt children from SCA but it would also benefit the staff of 200 who are a variety of ages.

The board meeting was held immediately after our regular meeting. There were a couple of significant decisions made. Let me share them with you.

A decision was made to support the Mount Waverley Secondary College with the supply of one defibrillator in honour of the memory of Kerry White. This will cover the next ten years of awards in his name. There will no longer be an annual award for Kerry White. This decision was made so that what we do will benefit many and not just an individual.

The Salter /Russell award will now be the annual Salter Russell Waverley Eisteddfod Award. The former award will no longer be given. Salter I believe had a music shop so this is in line with his profession which makes sense. The award given to Highvale Secondary College will stay in place, but the Holmsglen award will now cease to be given.

Have a great week.

Kindest regards

Rhonda

Hi Terry

We are having a working bee up at Typo on the **13th & 14th September**. We intend to construct a new cool room, plant fruit trees and collect fire wood. The Appin park club in Wangaratta is the main driver of the weekend and we wish to extend an invitation to all our rotary supporters. We see this as a great chance too for a productive and social event for people. Food and accommodation will be provided.

Please RSVP 10/09/2014

Cheers Matt
