Presidents Report for 31 May 2017

24th. May and our Rotary club held its 32nd Birthday. It was an easy going fun night with our local Mayor Rebecca Paterson as our Guest. We had about 20 members come and the other 13 are still either cruising or sunning themselves up north. Our Mayor Rebecca enjoyed the easy going nature of the club and had an informal chat with the members and answered all the questions she was asked about future plans for Monash. The meeting was closed at ten past eight but nearly every one stayed on talking until after nine pm. Thursday 25th. I received an email from DG Carol saying district 9810 was one of the three highest giving districts in Australia for money for Polio. Well done to us and other clubs involved in 9810.
