President's Report for 5 August

In the lead up to the DG Visit and Partners' Night scheduled for Wed 05 Aug, we had the pleasure of a pre-visit at the 29 Jul meeting by the AG, Tom Blair. Once again this meeting had a terrific turn out of members. That said, attendance in the coming month will fall back as more members depart on holidays both overseas and interstate.

The guest speaker for the night was Jacqui Chaplin, the author of a soon to be released e-book, *Disclosure - a mental illness memoir*. Her presentation was both dynamic and inspirational and through her description of the 'Pink Elephant Project', Jacqui successfully conveyed the message that it is OK to speak openly and comfortably about mind health

matters.

Last week I attended the weekly meeting of the Rotary Club of Glen Waverley at the Village Green Hotel. It was their turn for a DG visit and it was a really enjoyable night. Last Friday evening I attended the District Membership Forum at the Mount Waverley Community Centre and the event was packed to the rafters. The focus was not only on strategies for recruiting, but also strategies for retention of members, particularly those new to Rotary. An impromptu presentation from the Rotary Club of Croydon really knocked every one off their seats in terms of how a Club can rapidly and successfully grow its membership; and with growth not simply for the sake of numbers. They have ensured that they have some big projects to keep all their new and current members busy. On both counts, membership growth and successful projects, I will ensure that we receive a presentation later this year from this exciting club.

This week I am really looking forward to the opening of the ANZAC Centenary Walkway on Tue 4th August commencing at 10am. Likewise, am looking forward to attending with Geoff Logie-Smith the Ashwood Secondary College Interact Club on Tuesday evening. A further highlight of the week will be on Wednesday, with the visit of the DG, David Tolstrup, and his wife Alison together with the AG, Tom Blair, and his wife Suzanne. The conclusion of the week will occur on Friday 7th August with the Monash Super Cluster Meeting which is being held at the Mulgrave Country Club. It is not too late for members to decide to attend. Topics include fundraising, joint club projects, membership, Foundation, use of Club Central ICT portal, and fellowship. Please let me know by email if you do intend to go. Please, I do not want to be the only representative of RCMW!

Kind regards
Sean Darbyshire
