**CALENDAR OF UPCOMING CLUB/ROTARY EVENTS IS ON THE LAST PAGE OF THIS BULLETIN. ROTARIANS PLEASE CHECK FOR YOUR MARKET/ROTARY PROJECT COMMITMENTS ON THIS PAGE AND MARK YOUR DIARIES ACCORDINGLY.**

## **PRESIDENTS REPORT (7 May 2014)**

I thoroughly enjoyed Philip McKenzie's "member behind the badge" presentation last Wednesday. A bit of a larrikin from a modest but close family background, later to become a petrol head and a high achiever in engineering design and project management. The only thing missing were the photos of Philip with the obligatory engineers beard! Thanks Philip for an interesting and entertaining talk.

I attended the Baker Chairman's lunch last Monday. Our Club has been a small but consistent sponsor for the Baker IDI Heart and Diabetes Institute and I am always "blown away" by work Baker IDI does in the medical research field. Their "Bright Sparks" programme is very impressive indeed and I hope we can contribute more in the future to this organisation.

This Wednesday we are going to hear from Dr Andrew Seibel from Baker IDI on another aspect of their work.

But wait – there's more. Paul Power is going to give us his long promised talk on his experiences associated with his unfortunate heart attack in China. There are some important lessons to come out of this presentation for all of us, so it is not to be missed.

As an added bonus, I am really pleased to confirm that John Stathis has agreed to join our club, and he will be inducted this Wednesday.

If we look like going over time, I intend to suspend the service reports. In doing so, if any member has an issue that cannot be deferred until the following Wednesday 14th, please let me know before the meeting.

MUNA 2014 is on this weekend. We have sponsored three teams and I attended to show some club support for this excellent project. More on this in next week's Bulletin. I will also be reporting separately to you on the deliberations at last Wednesday's Board meeting as soon as Paul has had a chance to finish the Minutes. I am doing this as I undertook to report to you separately on the recent Forum agenda items.

Andrew has to fill some market roster positions over the next six weeks that are not covered for various reasons. If you can do a fill in shift to help it will be really appreciated.

Until then

Terry

## ***MEMBERS ANNOUNCEMENTS***

### **DISTRICT ASSEMBLY**

This year will be held at Parkdale Secondary College Warren Road Mordialloc, **Melways Ref 87G8**. I recommend this Assembly to all Board members, Avenue Chairs, and new members as a great way to get a dose of what Rotary is all about in our District and get contacts for your various roles, from other clubs (particularly handy for Monash clubs). It makes the job so much easier if you can bounce questions off other clubs Chairpersons that you have met through Assembly. For all Avenue Chairs I also suggest that if you can't make it to the Assembly that you try and get someone to go in your place. Alternatively if you could make the relevant Avenue Sessions held after morning tea that is also an option. Please note that some of the sessions finish earlier than 1.30 so you may not be there for that long.

### **NEXT WEEK'S MEETING**

Will be held at the residence of Ros & Malcolm Clowes to celebrate Malcolm's imminent 70<sup>th</sup> birthday. All members and partners are welcome at Unit 1, 2 Adelaide Avenue Mount Waverley from 6pm. Cost is \$20. Donations of salads are welcome.
