Presidents Report for 8 April 2015

I cannot remember a time that a speaker moved me as much as Mick Hall from Dayhab did at our most recent meeting. Mick shared his journey through alcohol and drug abuse and how his life has changed to one where he now helps people who are facing their own challenges. The Good Friday Golf day was not only a successful fundraising day for the club but was also a great social event. Unfortunately Malcolm Clowes has a bump the size of a golf ball on his head when he attracted a stray

golf ball. I would like to congratulate the committee of Don, Ron, Philip and Lou on the organisation of such a successful day. Every club member who participated on the day contributed to that success. The catering led by Adrian was superb. Many thanks to all. This week Philip will be the guest speaker talking about our recent expedition to Antarctica. He is looking forward to sharing some of his amazing photos with you.

This year the club will be celebrating its 30th Birthday in May. Robyn is having a look at options for the evening. Please let her know if you have any entertainment suggestions for the night.

The ANZAC centenary project planning is well underway with great co operation from the City of Monash. Paul and Terry have been working hard on this and I am sure we will get an update at the next meeting. They will call on other club members for assistance as they require it.

The ANZAC essay competition is underway with schools being notified. Terry is heading up this project for youth. While we are talking about youth please keep in mind that applications are open for the RYLA program so if you know any person that would benefit from this please advise Terry or Geoff.

I would like to thank Geoff Taylor for assisting with the transport and collection of books for the Indigenous children. This project will fill a void in the lives of some of these children. The opportunity to experience books and develop a passion for learning cannot be underestimated. Thank you to all members who supported this project.

I mentioned at the last meeting that we have been successful in gaining an annual donation from Spotlight Australia towards the craft supplies for the Children's Christmas party. Spotlight are also going to contribute \$20,000 towards the building of the Compassion building and the Library in Siem Reap Cambodia. This could be the start of a very good relationship with this organisation.

Kindest regards
Rhonda McKenzie

MEMBERS ANNOUNCEMENTS

COMMUNITY SERVICE

Regarding the project for collection of preschool books for Indigenous children in NT (Utopia – half way between Tennant Creek and Alice Springs, NT) - for the rest of March we are collecting pre school books for kids in this community. If you have any to donate please pass them to Geoff Taylor. Geoff has kindly offered to deliver a few boxes, to Melton Valley RC who will deliver them to NT.

We are now extending the collection to comics and magazines for the older children and young aboriginal men, especially football or sport magazines. So if you have any of these that you would like to move, perhaps drop off to Geoff as well.
