President’s Report for 2 September

This week (Wed 09 Sep 15) we will be meeting at the Leighoak Club, and in lieu of a guest speaker, the night will be devoted as a planning night for the range of major activities the Club is committed to between now and the end of the calendar year. Whilst it is acknowledged that the heads for each major activity (including any applicable sub-committee) are no doubt full bottle, this evening is an opportunity for all members to be on the same page, particularly where there is early advice on delegation of tasks and responsibilities. Accordingly, I respectfully ask that the leads for each of the following activities provide a 10 minute update on the following:

- Melbourne Cup Calcutta Night,
- Domestic Violence Forum
- The Mayor of Monash Charity Golf Day
- Disadvantaged Children's Christmas Party
- Club Program for balance of calendar year
- Discussion on Club ideas for end of year function
- Open floor for any other time sensitive planning matters

Please also note that on the following week (Wed 16 Sep 15), the Club meeting will take place at my residence in Mount Waverley. Catering arrangements will be discussed this Wednesday. As we do not have access to our regular room at the Leighoak Club on this evening, I have decided to not let the important opportunity pass us by with regard receiving a presentation by Neil Williams (RC of Waverley) on how to start an Interact Club.

Regards
Sean Darbyshire

COMMUNITY

Hello

This is just a quick email to let you know that small capital works grants are now available for eligible organisations in our community, through the Stronger Communities Grants program. The funding is available for not-for-profit organisations and local councils across the Chisholm electorate. Eligible projects are those that improve community participation and cohesion, and contribute to the vibrancy and viability of local communities.

The Chisholm electorate has been allocated \$150,000 with grants of between \$5,000 and \$20,000. They will require matched contributions in cash or in-kind on at least a dollar for dollar basis.

If you have an idea, meet the eligibility criteria, and can demonstrate matching funding, please submit a short project proposal (attached) by 9 October 2015 by emailing it to mathew.cooper@aph.gov.au or mailing it to my office.

A local Community Consultation Committee has been established to examine each project proposal. The Committee will advise you if your proposed project meets the requirements and if your group is invited to go to the full application stage, a link to the full online application will be provided. The Committee, alongside of me, will recommend the final successful projects to the Department of Infrastructure and Regional Development by the end of October 2015. Successful applications will be announced in late January or early February 2016.

If you aren't able to apply at this time, there is a second round of funding in early 2016. For more information go to: <http://investment.infrastructure.gov.au/funding/scp/> or call my office on 9802 0566 and request a copy of the guidelines be sent to you.

I look forward to hearing from you soon.

Children's Christmas Party

This year's Children's Christmas party for disadvantaged children will be held as usual on the first Saturday in December, this year being the 5th of December. Please keep this date free as we will once again need the assistance of all members in running this party.

My first call for assistance regards the party pies and sausage rolls. One of the very many contributions the late Pat Lannan made to this club was to arrange the supply of the party pies and sausage rolls at a much reduced cost. If any member has contacts to arrange this for this year, please contact me as soon as possible.

Thank you. Terry Roche

Waverley Music Eisteddfod: Salter/Russell Award

Our Club has for many years sponsored the annual Waverley Music Eisteddfod, which provides an excellent opportunity for talented youth to advance their studies in music performance.

Our Club sponsors one of the more prestigious events, the under 18 strings section. The skills and natural talent at this later stage clearly indicates that the entrants are capable and committed to advancing to a professional level. Your Board decided last year to designate our sponsorship as the Salter/Russell Award in remembrance of these two former distinguished members.

The winners of the section sponsored by Rotary of Mount Waverley below:

Strings Section S06: Solo, 18 years and under

First Prize

Kye Yim Loh
Violin

Aram Khachaturian

Second Prize

Nicoli Paganini

Stephanie Christie, the Secretary/Sponsorship Coordinator for the Waverley Music Eisteddfod, will be joining us shortly at one of our meetings, to give some insight into the value of this sponsorship for these students.

Indigenous Project for Arlparra School community:

My sister Lisa is collecting second hand clothes - adult track pants, t shirts, and clothing for kids 2-8. They also need black and white clothing which is worn for funerals. They have an Op Shop up, and going well, so Lisa is looking to keep it stocked. She will take any clothing collected at the speaking engagement at the club on 30th September.

If members could put aside any of above and bring on the night (or beforehand if that suits) I would appreciate it.

Child & Family Care Network & City of Monash – Voice of the Child Forum

Hi All

I have attached an invitation to an important community event in the city of Monash to be held on the 28th October. It is during the day so I am unable to attend, but it would be great if someone from the club could represent us. Please advise if you would like to attend (but also please complete the registration if so).

Thanks
