## **President's Report**

Well, what a great night we had at our Changeover dinner! Looking around the room it was really pleasing to see a mix of new and relatively new members amongst our longer serving and honorary members. Surely a sign of a healthy club- just one of the very many of Ros Clowes' achievements during her year as President. Our 2012/13 annual report includes a staggering list of achievements across the avenues of service, with Ros leading from the front, with characteristic passion.

I am very pleased that the current Board members have agreed to stay on for 2013/14. Special thanks to Pat Lannan, who some months ago decided to take a well earned break from Board duties, but at the same time has encouraged and supported me in preparing for my role as President. Thanks also to Rhonda McKenzie for stepping up for the President Elect position. If her enthusiasm and achievements as Membership Secretary is any guide – look out! The Club is going places over the next couple of years!

Congratulations to Andrew Sendeckyj and Keith Kendrick, both now Paul Harris Fellows, and to Roger Mould, Club Rotarian of the Year, another quiet achiever who just gets things done behind the scenes and steps up whenever asked.

This year we will endeavour to maintain the recent momentum, while at the same time consolidating what we have achieved. What does that mean? I would like everybody to have a role or a project in the Club that they will enjoy doing, and that will contribute to the object of Rotary.

New Wednesday, we will look at plans for the year ahead together, and I will be seeking your ideas, and your input on mine.

See you on Wednesday.

## Rotaract Update

Hi there,

Congrats to incoming Presidents and Board members.

Just letting you know, next week our club will be holding a casual Changeover night at the South Oakleigh Bowls Club from 7:30pm, see flyer attached. We will be reminiscing on the year gone and announcing plans for the coming year, including our intra-club competition, the Monash Cup!

Please note that while the day and time are the same, next week we will not be at our regular meeting venue of Mulgrave Neighbourhood house should any of your Club's members plan to visit. This year we endeavor to have more consistent contact with our sponsoring Rotary clubs so you guys will always know what we're up to an when we won't be at home!

Our records seem to be a bit outdated o if you could please let us know the days, times, places and cost of attending your meetings, and the best way to communicate with your club (who, how, how often) that would be much appreciated.

The District Rotaract Changeover is on Friday July 19th and will be a more formal night, with all three club in the district inducting new boards. Details of this event are also attached below.

Kind regards,

Clare Caulfield
