Presidents Report President's Report - 12 July 2013

This week we enjoyed our first social night of the new Rotary year, with dinner at Pescares' restaurant, Glen Waverley. Many more of you than expected on a cold turned up, and we also had a visitor, Kerrie, who might be interested in becoming a member. Thanks to Robyn for organizing the night, with Keith doing the last minute shuffle of tables and chairs for the extra numbers.

Robyn has just returned from another trip to the Northern Territory, where she gives her time, her skills and experience to identify vision deficiencies and various eye diseases amongst indigenous communities. I hope we hear more about the trip in the near future.

On another matter, The Federal Government has allocated \$100,000 to the Federal seat of Chisholm to commemorate the 100 the Anniversary of the First World War, and the Federal member for Chisholm is seeking ideas for projects to commemorate the occasion. Grants for appropriate projects are now available on application. Your Board is considering what, if any, involvement we should have. If you have a view on this, please let me know during the next three weeks.

Last week I provided a list of Board members, Chairs for the Avenues of Service and the standing Committees. I am conscious of the need to communicate this clearly, particularly as we have had so many new members join us. For the same reason, I have now listed most of the projects we are involved with alongside each member who has indicated an interest in that project. **It is a guide only**, and I have probably missed some tasks. Also, some of the tasks shown against a member are shared with others. Ring me please if you have any questions or concerns.

See you next Wednesday. Special Guest: Bethany Howard, from Baker IDI.

Terry

Roles

Cleary, Fiona	MT W Market/ Children's Christmas Party
