Presidents Report August 14

Last week we welcomed our RYPEN (Rotary Youth Program of Enrichment) students to our meeting to hear all about their recent three day course at Oasis Camp, Mt Evelyn. The students, Emily Danielle, Andrew, Emma and Adele all participated in seminars and group sessions designed to encourage them to think through a range of issues, develop opinions and communication skills.

We heard from them that the program gave them extra problem solving skills and the confidence to express themselves in a peer group environment. Program organiser Natalie Mascarenhas also joined us. Natalie has also been on the RYPEN and RYLA camps and a Rotaractor, so her experience on the RYLA camp was invaluable. Thanks again to our Youth Services Chairman, and Chairman for the evening, Don Guest for putting this together for the Club, and to the parents who attended in support of the students.

I mentioned at the meeting that unfortunately new member Romi Joher has had to return to New Delhi to support his seriously ill mother. We have no idea how long he will be in India. Romi has a young family in Australia and his plans are of course unclear. Romi was very popular in the Club in the very short time he was with us and he knows that he will receive any Rotary support we are able to provide.

The Waverley Music Eisteddfod is on again this month, from 17th to 26th August inclusive. We are once again sponsoring one of the premium events, the under 18 Strings section. I will have more details of the programme early next week.

Remember that our next meeting is a social get together at café Oggi in East Burwood. Turn off the Burwood Highway toward the East Burwood VicRoads complex and you will see the café on the corner.

See you on Wednesday
Terry

MEMBER CONTRIBUTIONS

FUNDRAISING

1. Proposed "Garage Sale" Project.

The Rotary Club of Mount Waverley in partnership with the Rotary Club of Oakleigh will conduct a Garage Sale of upmarket, new & second hand goods on Sunday the 27th October at the Oakleigh Market from 8 am to 2 pm.

To this effect, it would be appreciated if you could source any of the items listed below from your own households, that of relatives, friends & neighbours now and over the next 8 weeks. Many of the items left out for the annual council collections are suitable, although we are not conducting a rubbish collection.

In an endeavour to limit left over rubbish and hence the disposal problem of same, it is requested that articles be clean and in working order, preferably less than 5 years old and certainly not more than 10 years old.

Until the sale date, goods may be delivered either to Adrian or to Terry Roche or they can be collected. The goods will be stored at the Club's storage facility.

The funds raised will be split between the two clubs and used for community projects.

Type of goods required.

This is a suggested list, but suitability should be confirmed with either Terry or Adrian. Suffice to say, size of item(s) is important. If it won't fit into a car boot it is unsuitable.

- Electrical appliances in safe working order. These will be tested before sale.
- New clothes in original packaging.
- Clean blankets in good condition.
- Small articles of furniture no larger than a chair.
- Kitchen appliances in good condition. Includes cooking utensils pots & pans.
- Dinner sets and cutlery.
- Office equipment and entertainment goods less than 5 years old.
- Fashionable jewellery, watches and clocks.
- Hard cover books, but not school books or textbooks. Car manuals and similar books.
- Objects de arte such as framed photos and prints, statues, pottery and Bric-a-Brac, subject to inspection and suitability. In other words if you would buy it others will to!
- Garden implements and garage items such as tools etc.
- Sporting goods such as cricket sets and tennis racquets. Balls of all sizes in good condition.
- Labelled tinned food, but no putrescibles.
- Anything else with a good chance of sale able to be fitted into a car boot.

Any donations you can make to this fund raising endeavour will be gratefully accepted.

If you have any space for storage of goods please let either Terry or Adrian know.

Please contact Adrian Clifford on 0409 311 181 or Terry Roche on 0404 391 511
