Presidents Report Sept 18

Report from Ros this week, in Terry's absence.

Last Wednesday 11th Sep, there were 13 members including partners Gay Thorpe and Sue Mould who enjoyed a great meal at Mocha Vita. The food was good and excellent value for the \$25, the company as usual was fun and all went well so thanks to **Bill Klusco** for organising this great social evening.

For those unable to do their market shifts, please be kind to **Andrew Sendeckyj** - he's broken a toe and the agony noises from the Dad of a boxer are amazing!! Glad to see you're now wearing a shoe and speedy repair wishes.

This **Wednesday, 18th September**, we look forward to hearing from **Gordon Oliver** with further interesting information and an insight into the project he is working on in Alice Springs. Gordon gave us a snippet at Waverley Industries a few months ago - fascinating. Hope to see many of you there.

Once again, have fun in Rotary.
Ros

COMMUNITY SERVICE

The African Violet show is on again this November. We will be doing their setup at the Mt Waverley Community Centre at 4pm on Friday 14th November and the setdown on Sunday 16th November 2013 at at 5.30pm. The club earns an easy \$250 for this easy community project and it is only a couple of hours if ½ a dozen volunteers attend. I will put a sheet around at meetings in coming weeks, for volunteers for either or both sessions. Please mark your diaries.

FUNDRAISING

1. Proposed "Garage Sale" Project.

The Rotary Club of Mount Waverley in partnership with the Rotary Club of Oakleigh will conduct a Garage Sale of upmarket, new & second hand goods on Sunday the 27th October at the Oakleigh Market from 8 am to 2 pm.

To this effect, it would be appreciated if you could source any of the items listed below from your own households, that of relatives, friends & neighbours now and over the next 8 weeks. Many of the items left out for the annual council collections are suitable, although we are not conducting a rubbish collection.

In an endeavour to limit left over rubbish and hence the disposal problem of same, it is requested that articles be clean and in working order, preferably less than 5 years old and certainly not more than 10 years old.

Until the sale date, goods may be delivered either to Adrian or to Terry Roche or they can be collected. The goods will be stored at the Club's storage facility.

The funds raised will be split between the two clubs and used for community projects.

Type of goods required.

This is a suggested list, but suitability should be confirmed with either Terry or Adrian. Suffice to say, size of item(s) is important. If it won't fit into a car boot it is unsuitable.

- Electrical appliances in safe working order. These will be tested before sale.
- New clothes in original packaging.
- Clean blankets in good condition.
- Small articles of furniture no larger than a chair.
- Kitchen appliances in good condition. Includes cooking utensils pots & pans.
- Dinner sets and cutlery.
- Office equipment and entertainment goods less than 5 years old.
- Fashionable jewellery, watches and clocks.
- Hard cover books, but not school books or textbooks. Car manuals and similar books.
- Objects de arte such as framed photos and prints, statues, pottery and Bric-a-Brac, subject to inspection and suitability. In other words if you would buy it others will to!
- Garden implements and garage items such as tools etc.
- Sporting goods such as cricket sets and tennis racquets. Balls of all sizes in good condition.
- Labelled tinned food, but no putrescibles.
- Anything else with a good chance of sale able to be fitted into a car boot.

Any donations you can make to this fund raising endeavour will be gratefully accepted.

If you have any space for storage of goods please let either Terry or Adrian know.

Please contact Adrian Clifford on 0409 311 181 or Terry Roche on 0404 391 511

3. Suggestion for Christmas Dinner Breakup

To provide some entertainment and to raise funds for the Children's Christmas Party, I thought it might be a good idea to hold an auction as we did a few years ago at the Christmas Dinner to be held on the 4th December.

Members will remember that we had about 25-30 items for sale by bidding and that we raised somewhere in the order of \$500 to \$600.

My suggestion is that if you are coming to the dinner that you provide an article for the auction by the week prior to the dinner so that it can be catalogued. To get some entertainment value, the donor of the article will be encouraged to give a brief (60 seconds) description and history if pertinent, on the item for sale. The item can be a tangible object, new or in good second hand condition, or a service such as an hour of gardening, accounting or estate planning service etc. Following the 60 second talk, our resident auctioneer will then sell to the highest bidder. If you would like to put a reserve on the item indicate to the auctioneer at the time of sale.

I will be sending around a list closer to the Christmas dinner to get an idea of what you wish to donate for the auction.

Funds raised from the garage sale to be held on the 27th October will also be used to fund the Children's Christmas party to be held on the first Saturday in December.

Abridged email to IPP Ros, from our President who is overseas

Jan and I are having a great time in the Nth Island of NZ. Weather has been quite chilly but rain has largely held off. Very impressed with the scenery and the amount of attractions available to tourists. it is our first time and it clearly takes a couple of trips to see the essentials. Tell Paul it took three days before we saw any sheep, only dairy cattle. Did we take a wrong turn?

Guess you are pleased Ros as I am about the election result, although Rudd better than I expected. The Senate will be very interesting - it even includes a motoring enthusiasts party!!!!

Off to Hawaii tomorrow morning Tuesday.

Please let Keith know I will want dinner on 25th. Probably Jan as well - will confirm Jan

cheers

Terry
