### **Presidents Report**

Jan and I thoroughly enjoyed our three week break, but of course there is no place like home. Most of the first day back was spent clearing emails and cleaning up the garden!

I was pleased to be back for the presentation last Wednesday by Paul Stolz, CEO of Typo. The upgrading of the machinery shed at Typo station, and the development of a training manual for their youth programmes were our two major vocational projects during the last two years. I was pleased to present Paul with a cheque for the final instalment of our \$10,000 commitment to these programmes. Paul is very keen to retain the good relationship with our Club. He outlined his Board's strategic plan and described how clubs such as ours could continue to support the excellent work the Typo organisation undertakes. Our Board has made no further commitment to Typo. Should Paul present a specific proposal to us for participation and funding, it will be considered on its merits in consultation with members.

We have a busy two months coming up, as you will see from the calendar at the end of the Bulletin.

Planning for the Childrens Christmas party is underway. I will be asking for help shortly. I am looking for an entertainer for the party - somebody that can hold the attention of the children for about 20 – 30 minutes prior to Santa Claus arriving. Do any of you have a suitable contact? Please let me know as soon as possible.

Calcutta night will be a good one, and numbers so far are well up on last year. I believe there are still a few seats left so book with Andrew without delay if you haven't done so.

Don't forget to ask relatives and friends for any suitable items for our market on 27 October 2013. Bring them to a meeting or contact Adrian or myself for a pick up.

I have some other news items. RC Monash has an arrangement with a professional photographer who offers lessons in digital photography. I have offered this photographer a space at our next market, and Rotary will receive payment for any referrals, the payment going to the club mentioned on the application form. The photographer's pamphlet includes the Rotary logo.

I have also offered space for RC Glen Waverley to set up a book stall. We need to build the market, and these two additions represent something quite different to the existing stalls. I am also looking to have far more information at our market in the form of leaflets and the like to promote our club, and the Rotary organisation.

See you on Wednesday

A postscript to my report. There are many events listed in Rotary Distract 9810 "What's on" and we don't normally repeat the events in our Bulletin. However, AG Roger Coburn last Wednesday mentioned the upcoming Foundation dinner on Tuesday 19 November. The highlight of this dinner will be the opportunity to hear the next RI President speak, which I would expect will include some insight into his thinking for the future direction of the organisation. The Flyer is reproduced below, and it would be good to have a RC Mount Waverley table. I think we have half a table so far. Please let me, or Adrian know if you are interested.

# The Rotary Club of Warrandyte Donvale

invites you to attend the  
**D9810 Rotary Foundation Annual Dinner**

on **Tuesday 19th November 2013**

6.30 for 7.00pm start, concluding by 9.30pm

at

**The Whitehorse Club,**

298-336 Burwood Hwy,  
(Between Springvale & Blackburn Rds)

Burwood East.

Vic 3151 (Mel 62 B7)

**Guest Speaker - Gary C K Huang,**

**Rotary Club of Taipei, Taiwan**

**International President, 2014 - 15.**

Cost : \$45 per person.

Includes Two course dinner, including drinks - (not spirits)

We hope you can join us to make up tables of 10.

A table of 10 from a single club will provide that club with sufficient credits to recognise a Rotarian or member of the community as a Paul Harris Fellow. Clubs might consider subsidising their bookings by \$20 each. In this way, a table of 10 would cost a club \$200, but would provide 1000 PHF credits.

**RSVP to: Tony Mooney by Thurs 07/11/2013**

phone: 0419 352 644

### COMMUNITY SERVICE

The African Violet show is on again this November. We will be doing their setup at the Mt Waverley Community Centre at 4pm on Friday 14<sup>th</sup> November and the setdown on Sunday 16<sup>th</sup> November 2013 at at 5.30pm. Though it is not a fundraising event the club earns an easy \$250 for this community project and it is only a couple of hours if ½ a dozen volunteers attend. I will put a sheet around at meetings in coming weeks, for volunteers for either or both sessions. Please mark your diaries.

### FUNDRAISING

#### 1. Proposed "Garage Sale" Project.

The Rotary Club of Mount Waverley in partnership with the Rotary Club of Oakleigh will conduct a Garage Sale of upmarket, new & second hand goods on Sunday the 27<sup>th</sup> October at the Oakleigh Market from 8 am to 2 pm.

To this effect, it would be appreciated if you could source any of the items listed below from your own households, that of relatives, friends & neighbours now and over the next 8 weeks. Many of the items left out for the annual council collections are suitable, although we are not conducting a rubbish collection.

In an endeavour to limit left over rubbish and hence the disposal problem of same, it is requested that articles be clean and in working order, preferably less than 5 years old and certainly not more than 10 years old. Until the sale date, goods may be delivered either to Adrian or to Terry Roche or they can be collected. The goods will be stored at the Club's storage facility. The funds raised will be split between the two clubs and used for community projects.

Type of goods required. This is a suggested list, but suitability should be confirmed with either Terry or Adrian. Suffice to say, size of item(s) is important. If it won't fit into a car boot it is unsuitable.

- Electrical appliances in safe working order. These will be tested before sale.
- New clothes in original packaging.
- Clean blankets in good condition.
- Small articles of furniture no larger than a chair.
- Kitchen appliances in good condition. Includes cooking utensils pots & pans.
- Dinner sets and cutlery.
- Office equipment and entertainment goods less than 5 years old.
- Fashionable jewellery, watches and clocks.
- Hard cover books, but not school books or textbooks. Car manuals and similar books.
- Objects de arte such as framed photos and prints, statues, pottery and Bric-a-Brac, subject to inspection and suitability. In other words if you would buy it others will to!
- Garden implements and garage items such as tools etc.
- Sporting goods such as cricket sets and tennis racquets. Balls of all sizes in good condition.
- Labelled tinned food, but no putrescibles.
- Anything else with a good chance of sale able to be fitted into a car boot.

Any donations you can make to this fund raising endeavour will be gratefully accepted.

If you have any space for storage of goods please let either Terry or Adrian know.

Please contact Adrian Clifford on 0409 311 181 or Terry Roche on 0404 391 511

## 3. Suggestion for Christmas Dinner Breakup

To provide some entertainment and to raise funds for the Children's Christmas Party, I thought it might be a good idea to hold an auction as we did a few years ago at the Christmas Dinner to be held on the 4<sup>th</sup> December.

Members will remember that we had about 25-30 items for sale by bidding and that we raised somewhere in the order of \$500 to \$600.

My suggestion is that if you are coming to the dinner that you provide an article for the auction by the week prior to the dinner so that it can be catalogued. To get some entertainment value, the donor of the article will be encouraged to give a brief (60 seconds) description and history if pertinent, on the item for sale. The item can be a tangible object, new or in good second hand condition, or a service such as an hour of gardening, accounting or estate planning service etc. Following the 60 second talk, our resident auctioneer will then sell to the highest bidder. If you would like to put a reserve on the item indicate to the auctioneer at the time of sale.

I will be sending around a list closer to the Christmas dinner to get an idea of what you wish to donate for the auction.

Funds raised from the garage sale to be held on the 27<sup>th</sup> October will also be used to fund the Children's Christmas party to be held on the first Saturday in December.

Adrian
