PRESIDENTS REPORT

Last Wednesday we had a very good turnout for our social night at Waverley RSL, two days after Remembrance day. Unfortunately early in the week, news reports highlighted the extent of the damage wreaked by the Typhoon which swept through the Philippines and into Vietnam. Although it is early days in terms of assessing the amount of assistance required in the Philippines in particular, it is noteworthy that Rotary linked organisations have swung into action quickly to try and assist.

Without delay, our club donated \$500 to the Rotary Disaster Aid Relief Fund last week, and at our Board meeting this Wednesday we will consider a top up donation. With communications infrastructure all but destroyed in the worst hit areas, it will be some time before the magnitude of the damage is known. Adrian and Paul have separately circulated options for personal donations. I expect that some of you have friends and relatives in the areas affected, and our thoughts are with you and them at this time.

On a brighter note, this week I will be inducting Philip McKenzie as a member of our club. Some of you newer members might be surprised that Philip is not a member already, as he has often attended meetings with Rhonda, and has assisted us with a few of our projects. Rhonda announced two weeks ago that she had finally convinced him to join. Let's have a good roll up on Wednesday to welcome Philip.

This week we have Joan Reid as our guest speaker. Without giving the story away, I am sure that her talk, "Flossie's story, I've been good so far" will have quite an impact.

The Christmas party for underprivileged children is getting closer. I need somebody that has freezer space for 200 party pies and sausage rolls for two days, Wednesday 4th December through to Friday night 6 December. Can any of you help with this? I will arrange delivery and pick up – I just need freezer space. (*Ed.... and two boxes of icy poles for one night*)

Until Wednesday
Terry

On **Saturday 30th November 2013**, I will be having a present wrapping and labeling morning at my place, from 9:00AM in my garage where there is plenty of space. I will be passing around the usual yellow volunteer form on Wednesday. Even a couple of hours will be a great help. Thank you in advance.

MEMBER CONTRIBUTIONS

FUNDRAISING

1. Christmas Dinner Breakup

To provide some entertainment and to raise funds for the Children's Christmas Party, I thought it might be a good idea to hold an auction as we did a few years ago at the Christmas Dinner to be held on the 4th December.

Members will remember that we had about 25-30 items for sale by bidding and that we raised somewhere in the order of \$500 to \$600.

My suggestion is that if you are coming to the dinner that you provide an article for the auction by the week prior to the dinner so that it can be catalogued. To get some entertainment value, the donor of the article will be encouraged to give a brief (60 seconds) description and history if pertinent, on the item for sale. The item can be a tangible object, new or in good second hand condition, or a service such as an hour of gardening, accounting or estate planning service etc. Following the 60 second talk, our resident auctioneer will then sell to the highest bidder. If you would like to put a reserve on the item indicate to the auctioneer at the time of sale.

I will be sending around a list closer to the Christmas dinner to get an idea of what you wish to donate for the auction.

Adrian Clifford
