The Ros Report

"Gallipoli re-visited". What a professional presentation by **Brigadier Neale Bavington** last Wednesday. His visuals and original photographs taken by Diggers were excellent and conveyed the sacrifices and futility very graphically as did many photographs and drawings of other war engagements and well known personnel. I know those present felt privileged to have had this opportunity.

Thanks to **Malcolm Clowes** for excellent chairmanship, **Jeff Guy** for amusing and serious 'fining' and **Terry Roche** for smooth technical operations. It was also good to welcome **Roger Mould's friend, Romi Joher**, a real estate agent in Wantirna South. We hope Romi will join us again.

District Assembly was held on **Sunday 19th May** at Deakin University, Burwood and considered very worthwhile by **Terry Roche, Geoff Taylor** and **Adrian Clifford** who attended on behalf of our club. Unfortunately **PN Rhonda McKenzie** was unable to attend as her foot required more surgery. We wish you a speedy recovery, Rhonda and quick back onto your feet sans crutches.

Sadly it was announced at District Assembly that **PP Tom Morrissey**, Monash City Councillor and member of RC of Waverley passed away very suddenly over the weekend. Many members of our Club knew Tom and know his widow, **PP Lorraine** so please contact me regarding funeral arrangements later. We wish the Morrissey family and the President and Members of Rotary Club of Waverley our sincere condolences.

We wish **Jeff & Ann Guy** and **Adrian & Marion Clifford** safe and happy travels overseas. I would like to thank **Jeff** for being my **Sergeant** when he has been with us and **Adrian Clifford** for being the **Club official photographer** during 'my year' and for his huge help in my preparation for the Annual Report.

We celebrate our **Clubs' 28th anniversary of Charter Dinner on 29th May**. This is a partner's night and should be fun. **Terry O'Brien** will entertain us, **Malcolm Clowes** has got a game of sorts up his sleeve and hopefully our other Charter member, **Ron Thorpe** is also available to contribute to the celebrations.

This week we look forward to meeting and hearing from some of our **MUNA students**, who represented South Sudan, North Korea and Iraq. They certainly were given countries with problems. **Terry Roche** did very well to secure three such good teams.

In the meantime, have fun in Rotary

Subject: ANZAC CELEBRATIONS

Dear President Ros

Thank you for the opportunity to again visit your club. There is a freshness and a lack of pretence that I have really enjoyed.

Please thank Terry for all his assistance and also to the Chairmen Pat and Malcolm.

If I come any more times, my President will probably want to talk transfer fees with you.

Best wishes

CONGRATULATIONS & CELEBRATIONS

22 -28 May:

Happy birthday to Patrizia S on 24th May. Happy anniversary of joining Rotary to Terry R on 28th May (5 years).

MEMBERS CONTRIBUTIONS

COMMUNITY SERVICE

May is Bowelscan Month. Don't forget to pickup your kits from your local chemist. If you can't get the Rotary one then get the government one – they are available at most pharmacies. Everyone over 50 should have a bowel cancer screen at least every two years.

MWCIS Food Parcel Pickup

There are currently three Rotarians and one non Rotarian, on a roster basis, that are picking up the food parcels from Coles Pinewood on Friday at 9.30 and delivering to MWCIS. It takes about 40 minutes all up. It would be good if we could get at least **two more Rotarians or Rotary Partners** on the Roster. At this stage we have committed to end July and will revisit then. The person who normally does the Friday pickup has been in hospital after a major operation and cannot continue with the job. MWCIS are therefore seeking our ongoing assistance. Please call me on 0413 444 759 if you can assist. It is not a difficult or time consuming job.

Glen Watkins
Community Service Director

YOUTH SERVICE

Danielle Darbyshire is off to attend the RYPEN Camp at the end of this week. Good luck Danielle and we hope that the experience helps to enrich your life.

SOME ROTARY EDUCATION

The Five Avenues of Rotary Service that demonstrate our ideal of Service above Self are:

Club Service

Focuses on strengthening Fellowship and ensuring the smooth functioning of Rotary Clubs. Terry Roche is our current Club Service Chairperson.

Vocational Service

Involves club members in serving others through their profession and aspiring to high ethical standards. Rotarians as business leaders, share skills and expertise through their vocations, and they inspire others in the process. Robyn Morrow is our current Chairperson.

Community Service

Is the opportunity Rotary Clubs have to implement club projects and activities that improve life in the local community. Glen Watkins is our current Chairperson.

International Service

Encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to the PolioPlus project, to helping Rotary Youth Exchange Students adjust to their host countries. Geoff Taylor is our current Chairperson.

Youth Service

Recognises the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects and exchange programs that enrich and foster world peace and cultural understanding. Don Guest is our current Chairperson.

Each club member should contribute in some way, to at least one of these avenues of service.
