The Last Ros Report

On Wednesday **19th June**, **Pete Rees** presented his background as the '**Rotarian Behind the Badge**'. Pete, with help from his son, compiled an excellent slide show from the bare-bottom baby on. It was great to share Pete's many sporting achievements and especially to hear how totally Pete is committed to his lovely family, wife **Karen**, and children **Mitchell and Cassidy**. Hopefully Pete will share some insights from his years in 'Careers Counselling' in the not too distant future. This topic is obviously of much interest to Rotarians - Vocation being one of our 5 Avenues of Service.

We were very pleased to welcome **Romi Joher** ((Residential Real Estate) as our newest member and look forward to a long and rewarding Rotarian connection and friendship. A big thank you to **Roger Mould** for introducing Romi to our Club. It was also a pleasure to welcome **Trudie and Robert Sharpe** and **Jeanie Chapman** as our guests and we hope they join us again soon.

It was so good to have the whole **Darbyshire family** with us as well. **Daughter Danielle**, our recent **RYPEN** candidate, presented Don Guest with a gift in appreciation and will visit us again soon to speak further of her experiences.

Geoff Taylor asked members for help with dismantling hospital beds at the Alfred Hospital to send to DIK for on-forwarding to Sri Lanka, where there is a great need of them. Please contact Geoff for more information.

Barbara Triffle, President of MWCIS (Monash-Waverley Community Information and Support), has nominated a recipient for our **Salter/Russell award** this year and a donation of \$500 has been made on behalf of the Club to a widow, mother of 2 children who is also caring for her own Mum and who will really benefit from some help.

In addition to our Club's support for so many worthy causes and programmes during the year, (mentioned in the weekly bulletins and monthly Board minutes on the website) the Board has now approved a total donation of **\$3,000** this year to **ARHF**. This includes the receipt of fines from Sergeants sessions and the pledges made on behalf of the many speakers during the year. A further donation of **\$3,000 to MWCIS** will be made from surplus funds and **\$1,000** will be made to **Wheelchairs for Kids**.

Our Club received excellent news when **Paul Power** attended District Changeover dinner on 15th June and received two **District Governor Recognitions**. It was my pleasure to present **Club Building** (effectively maintaining and increasing membership) to **Rhonda McKenzie** and **Club PR and Communications** (in recognition of our excellent website) to **Glen Watkins**. Congratulations to you both for your huge efforts. Well deserved.

Expect a few surprises this **Wednesday 26th - Changeover Night** - when it will be my pleasure to hand the reigns over to **PE Terry Roche**. His will be a good year - he too has an excellent team lined up.

There are so many members to thank for assisting in making what I believe has been a good year in Rotary and they will be acknowledged in the Annual Report. However I do want to thank **Glen Watkins** especially for producing and editing this bulletin so efficiently and reliably.

Signing off and hoping you have had as much fun in Rotary this year as I have and continue to do so.

The board has agreed to support the MWCIS Coles Pinewood Food Pickup project till at least end Sept 2013. If any retired Rotarians or Honorary Rotarians would like to assist please contact me. It only takes about a ½ hour on a Friday morning at 9.30am and you would join a roster of 7 Rotarians and family. So the commitment is not very onerous (say once every 7 weeks). We are a vital help to the families that MWCIS support.

We had a very good day at the Oakleigh Market on Sunday raising \$2150 net. The weather was brisk but sunny and the market crowd was appreciative of this.

Hi Ros and Rotarians,

I hope this finds you well and apologies for the long break between emails.

I'm spending a lot of time at the computer studying, so basically when I'm not studying I try to avoid being on it.

Therefore, instead of telling you all about things over here, I have attached the following for your perusal:

- some photos (*ed – not attached – are personal holiday snaps*)
- An Essay I wrote about Climate Change and Urbanisation. If you are mildly interested in the topic, the reference section would be worth keeping on file. (*ed – not attached but can be sent to individual Rotarians who have a personal interest- please contact me*).

I'd love to hear your news. I will be fairly light-on in emailing over the coming few months. SKYPE is awesome, so feel free to make a "date").

I reckon I'll be back in Australia in October-ish, after finishing the thesis and a bit of travel on the way home.

Look forward to seeing you then!

With Love,
Georgie
