Presidents Report August 28

In lieu of Terry's Report Adrian kindly updates us on last weeks meeting. Last Wednesday we had a very succinct report from Jesse GREENWOOD and Lachlan WILSON, the Rotary Youth Leadership Award recipients. After a brief film summary which gave an overview of activities which took place at Bacchus Marsh over a week, both Jesse & Lachlan gave a review of how they made the most of the problem solving activities and how they worked together with the other 40 participants.

Apart from having to make decisions they also had to think outside the square and overcome possible failures. They were accompanied by leaders, Irene PAPAZOGLU and Sath ANDRADI who assisted with the activities.

Lachlan's sister Megan helped with the computer and his parents Bernadette and Anthony were in attendance. Jesse's mum, Linda and grandmother Pam BONNEY also attended. Don briefly mentioned the Four way speaking contest and that we had one girl interested in taking part from Avila. Don will give a brief summary of what is involved shortly. Adrian mentioned about reintroducing the auction to be held at the Christmas dinner, both to provide entertainment and help raise funds towards the annual Kid's Christmas Party. Once again our numbers were down there being no President, no President elect and no immediate past president to give a report. President Terry will be able to give a very full report at tonight's meeting.

At the next meeting we will be entertained by Jack PYZIAKOS and his wife Kathy. Jack is a P.P. of the Mordialloc club and recently attended the International Conference held in Portugal on which he will report and also give an account of their walk on one of the famous trails in northern Portugal.

Enjoy Rotary.

Chairman Adrian.

Late Addendum by President Terry:

This week is my last Meeting until the 25th September as I will be out of the country. I am looking for a volunteer to take over the MWCIS Blue bin while I am away. It doesn't involve much. Bringing it to each meeting, and taking any contributions to MWCIS between the hours of 9:30AM and 4:00PM any day, telling them that these are donations from Mt Waverley Rotary Club. Perhaps for those that cannot deliver during the day, you can pass the bin to the person on Glen's roster for "second bite" the pick up from Coles Pinewood every Friday. Ask Glen for more details.

I also want to form a small Committee to help manage the Children's Christmas party. A very short meeting will be convened after this week's normal meeting at Leigh Oak.

COMMUNITY SERVICE

The African Violet show is on again this November. We will be doing their setup at the Mt Waverley Community Centre at 4pm on Friday 14th November and the setdown on Sunday 16th November 2013 at at 5.30pm. The club earns an easy \$250 for this easy community project and it is only a couple of hours if ½ a dozen volunteers attend. I will put a sheet around at meetings in coming weeks, for volunteers for either or both sessions.

Glen Watkins

FUNDRAISING

1. Proposed "Garage Sale" Project.

The Rotary Club of Mount Waverley in partnership with the Rotary Club of Oakleigh will conduct a Garage Sale of upmarket, new & second hand goods on Sunday the 27th October at the Oakleigh Market from 8 am to 2 pm.

To this effect, it would be appreciated if you could source any of the items listed below from your own households, that of relatives, friends & neighbours now and over the next 8 weeks. Many of the items left out for the annual council collections are suitable, although we are not conducting a rubbish collection.

In an endeavour to limit left over rubbish and hence the disposal problem of same, it is requested that articles be clean and in working order, preferably less than 5 years old and certainly not more than 10 years old.

Until the sale date, goods may be delivered either to Adrian or to Terry Roche or they can be collected. The goods will be stored at the Club's storage facility.

The funds raised will be split between the two clubs and used for community projects.

Type of goods required.

This is a suggested list, but suitability should be confirmed with either Terry or Adrian. Suffice to say, size of item(s) is important. If it won't fit into a car boot it is unsuitable.

- Electrical appliances in safe working order. These will be tested before sale.
- New clothes in original packaging.
- Clean blankets in good condition.
- Small articles of furniture no larger than a chair.
- Kitchen appliances in good condition. Includes cooking utensils pots & pans.
- Dinner sets and cutlery.
- Office equipment and entertainment goods less than 5 years old.
- Fashionable jewellery, watches and clocks.
- Hard cover books, but not school books or textbooks. Car manuals and similar books.
- Objects de arte such as framed photos and prints, statues, pottery and Bric-a-Brac, subject to inspection and suitability. In other words if you would buy it others will to!
- Garden implements and garage items such as tools etc.
- Sporting goods such as cricket sets and tennis racquets. Balls of all sizes in good condition.
- Labelled tinned food, but no putrescibles.
- Anything else with a good chance of sale able to be fitted into a car boot.

Any donations you can make to this fund raising endeavour will be gratefully accepted.

If you have any space for storage of goods please let either Terry or Adrian know.

Please contact Adrian Clifford on 0409 311 181 or Terry Roche on 0404 391 511
