Presidents Report

It was an interesting meeting last Wednesday, the highlight being Beth Merkus giving us her “member behind the badge” presentation. There seemed to be many dimensions to Beth’s story. A conservative upbringing, breaking out to find her place in the world, the initiative to seek out jobs to survive, all underpinned by a fierce determination to succeed in whatever she took on. Beth subsequently identified a business opportunity and worked

hard to make a success of it, and it seems from the growth of her business that she may well be called on to bail out one or two European banks! Thanks Beth for a good story with a couple of lessons along the way.

Continuing the positive theme, thanks to Ron Thorpe and his merry band of helpers (Robin Hood and his merry men?) The Monash Charity Golf day was once again a huge success, raising over \$30,000. Who should be surprised? They do it every year. We must remember that for this day to succeed there a lot of work behind the scenes is required. Well done all.

By the time you read this I hope to record that the treasure and collectables market was a resounding success, and that we had plenty of helpers.

Rhonda introduced Vikash as a visitor for the evening, and also indicated that Philip might be joining us as a member. This apparently will avoid the mad scramble to the letterbox when the RDU magazine arrives.

This Wednesday is Calcutta night. If you haven’t put your name down for the night, ring Andrew NOW. There might still be a spot left.

See you on Wednesday

Terry

FUNDRAISING

1. Christmas Dinner Breakup

To provide some entertainment and to raise funds for the Children's Christmas Party, I thought it might be a good idea to hold an auction as we did a few years ago at the Christmas Dinner to be held on the 4th December.

Members will remember that we had about 25-30 items for sale by bidding and that we raised somewhere in the order of \$500 to \$600.

My suggestion is that if you are coming to the dinner that you provide an article for the auction by the week prior to the dinner so that it can be catalogued. To get some entertainment value, the donor of the article will be encouraged to give a brief (60 seconds) description and history if pertinent, on the item for sale. The item can be a tangible object, new or in good second hand condition, or a service such as an hour of gardening, accounting or estate planning service etc. Following the 60 second talk, our resident auctioneer will then sell to the highest bidder. If you would like to put a reserve on the item indicate to the auctioneer at the time of sale.

I will be sending around a list closer to the Christmas dinner to get an idea of what you wish to donate for the auction.

Funds raised from the garage sale to be held on the 27th October will also be used to fund the Children's Christmas party to be held on the first Saturday in December.
