The Ros Report

Our three remaining Charter Members did us proud when we celebrated our 28th Birthday last Wednesday. **Malcolm Clowes'** 'Bingo' game created a roomful of winners - and was done with his normal straight face.

Ron Thorpe's 1985 'Trivia' questions were actually most interesting and very challenging. How quickly we forget - and it was only 28 years ago.

And the re-creation of the Charter dinner programme was fantastic. And **Terry O'Brien** - his usual hilarious self - I think his delivery is getting

slower and more deliberate and therefore even more funny. Honorary Member

Graham Bristow came particularly to hear Terry's 'poetry' and it was great to see him

again. We were also joined by 3 partners, **Margaret Klucso, Marilyn Lannan and Philip**

McKenzie, soon to be member **Romi Joher** plus 2 children, **Sophie Hoomoedt and Claire Watkins**. I hope 'Bingo' isn't considered gambling.

Today **Mount Waverley Market Co-ordinator Malcolm Clowes** handed all the stall and stall holder information to **Beth Merkus and Malcolm Freeman**. Thank you to these new members for taking up the challenge of running our main fundraiser and a huge thank you, from all of you I am sure, to Malcolm Clowes for being the 'backbone' of our market for probably 20 years. I bet he won't be able to let go completely but wonderful to have new blood so keen to be involved. Thanks to you all.

Wednesday week, **12th June, Robyn Morrow** has organised a Vocational outing to the **Holmesglen Tafe** to sample the efforts of the young trainees. This is always a good night.

The following Wednesday, **19th June**, our very own **Pete Rees** will speak of the '**Rotarian**

Behind the Badge'. Should be interesting - and I am sure will not be only about the 'bulldogs'!!

Remember to keep **Wednesday 26th free - Changeover Night** - when it will be my pleasure to hand the reigns over to **PE Terry Roche**. His will be a good year - he too has an excellent

team lined up.

This Wednesday **5th June** Rhonda McKenzie's daughter, **Amanda Martin** will give us an insight into **facebook and social media**, on-line, and an explanation of our facebook page. We will have a computer available, connected to the internet, so I hope Amanda is a good teacher - I know some of us need to be convinced of the merits of such media. All those who have doubts, criticisms or queries should make a point of being there or being square!!!

Our treasurer Lyn W had her gallbladder removed this week and is now back from hospital, sore but well. We all wish Lyn a speedy recovery and quick back to the books!!!

In the meantime, have fun in Rotary

OFFICE OF THE PRIME MINISTER & MINISTER FOR FOREIGN AFFAIRS

FURTHER AUSTRALIAN SUPPORT FOR POLIO ERADICATION

Prime Minister Julia Gillard and Foreign Minister Bob Carr today announced further funding to help eradicate polio – a debilitating disease that continues to strike the world’s most vulnerable people, especially children.

Australia will provide \$80 million over four years from 2015 to 2018 to help finish the job and achieve worldwide polio eradication.

This contribution follows a \$50 million commitment to the Global Polio Eradication Initiative from 2011 to 2014 announced by the Prime Minister at the Commonwealth Heads of Government Meeting in Perth in October 2011.

The Prime Minister and the Foreign Minister applauded the leadership shown by the Bill and Melinda Gates Foundation, the World Health Organization, UNICEF and Rotary International on polio. The Gates Foundation is contributing US\$1.8 billion for *the Polio Endgame Strategic Plan 2013 - 2018*, which is one-third of the total budget.

Australia has a proud history of support for polio eradication. From 1912 to 1972, more than 30,000 cases of paralytic poliomyelitis were reported in Australia, and a number of polio survivors in Australia today still live with the pain and debilitation of post-polio syndrome.

It was Australia’s Sir Clem Renouf who, as President of Rotary International in 1978 and 1979, led the international campaign to vaccinate every child against polio. As a result of these early efforts by Rotary, the global community came together in 1988 to launch the Global Polio Eradication Initiative.

Since 1988, there has been a reduction in the number of polio cases by 99.9 per cent. Following the certification of India as polio-free in 2012, polio remains endemic in only Afghanistan, Pakistan and Nigeria. The world now has polio eradication within its reach. This would be the second disease to be eradicated globally after small pox and a major victory for international aid and public health.

The new contribution brings Australia’s total commitment to polio eradication to over \$130 million. Our aim is to help eradicate polio and strengthen routine immunisation.

SOME ROTARY EDUCATION
THE OBJECTS OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third. The application of the ideal of service in each Rotarian's personal, business and community life;

Fourth. The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

PAUL AND CHES. Two years and 11 months after Paul P. Harris called the first meeting of the first Rotary Club, he welcomed to the growing fellowship a young businessman named Chesley R. Perry. Some two and a half years later, when the 16 existing Rotary Clubs formed an association, Paul became its President and Ches its Secretary. Paul was President for two years and has been President Emeritus for 28 years; Ches has been Secretary for 30 years . . . and it has been such dedication as theirs that has made Rotary something which today embraces 212,000 men in some 60 lands. Paul and Ches have seen Rotary shoot up, mature, and carry on through adversity. They have helped to attune it to our day. When Rotary celebrates its 36th birthday on the 23rd day of this month, many a toast will be raised to this long and fruitful Rotary partnership.
