### **Presidents Report August 7**

This week we had a really interesting “member behind the badge” presentation from Michael Gidley. Michael spoke mainly about his background and activities prior to his becoming a politician, which gave us a good insight about Michael, the Rotarian. Many of us often wonder what motivates a person to become a politician. In Michael’s case it seems that it has stemmed from a natural interest in public and community affairs from a relatively young age, and a family environment that encouraged this interest.

As a tax accountant, Michael has come into contact with people from all walks of life, and his interest in the local issues, and the desire to put something back, has by a fairly circuitous route led him to his present role as a Member of Parliament. Thanks Michael.

For those that missed the meeting, Planning is underway for next year’s District Conference to be held in Bendigo. There is a District Conference Launch on Wednesday 21 August, to which the presidents and the “On to Conference” chairs have been invited. I cannot be there due to a long standing commitment. Ros is our “On to conference” chair. If anybody would like to take my place, please contact me.

This Wednesday we have our sponsored RYPEN students attending and talking to us. Youth Services is an important part of our Club Commitment, and I would like to see a good roll up to support these students. Don, who has worked hard to put this together for us.

Please see me if you haven’t picked up your 2013/14 District Directory from me yet.

See you on Wednesday  
Terry

### **FUNDRAISING**

#### **1. Proposed "Garage Sale" Project.**

The Rotary Club of Mount Waverley in partnership with the Rotary Club of Oakleigh will conduct a Garage Sale of upmarket, new & second hand goods on Sunday the 27<sup>th</sup> October at the Oakleigh Market from 8 am to 2 pm.

To this effect, it would be appreciated if you could source any of the items listed below from your own households, that of relatives, friends & neighbours now and over the next 8 weeks. Many of the items left out for the annual council collections are suitable, although we are not conducting a rubbish collection.

In an endeavour to limit left over rubbish and hence the disposal problem of same, it is requested that articles be clean and in working order, preferably less than 5 years old and certainly not more than 10 years old.

Until the sale date, goods may be delivered either to Adrian or to Terry Roche or they can be collected. The goods will be stored at the Club's storage facility.

The funds raised will be split between the two clubs and used for community projects.

Type of goods required.

This is a suggested list, but suitability should be confirmed with either Terry or Adrian. Suffice to say, size of item(s) is important. If it won't fit into a car boot it is unsuitable.

- Electrical appliances in safe working order. These will be tested before sale.
- New clothes in original packaging.
- Clean blankets in good condition.
- Small articles of furniture no larger than a chair.
- Kitchen appliances in good condition. Includes cooking utensils pots & pans.
- Dinner sets and cutlery.
- Office equipment and entertainment goods less than 5 years old.
- Fashionable jewellery, watches and clocks.
- Hard cover books, but not school books or textbooks. Car manuals and similar books.
- Objects de arte such as framed photos and prints, statues, pottery and Bric-a-Brac, subject to inspection and suitability. In other words if you would buy it others will to!
- Garden implements and garage items such as tools etc.
- Sporting goods such as cricket sets and tennis racquets. Balls of all sizes in good condition.
- Labelled tinned food, but no putrescibles.
- Anything else with a good chance of sale able to be fitted into a car boot.

Any donations you can make to this fund raising endeavour will be gratefully accepted.

If you have any space for storage of goods please let either Terry or Adrian know.

Please contact Adrian Clifford on 0409 311 181 or Terry Roche on 0404 391 511
