### **Presidents Report**

It was a very good roll up this week. Great to see Jeff, Mara and Beth back with us, and visitor Peter McNeill from the Blue Mountains district of New South Wales. Our guest speaker this week was Robert Davies, Monash Councillor, and importantly a Honorary member of the Rotary Club of Wheelers Hill. Robert shared some of his background with us, and then spoke of some of the challenges of being Councillor. Councils and Councillors are typically closely scrutinised, and often criticised by us all as local ratepayers, and Robert was not spared during question time. He was

impressive in handling a range of sometimes tough questions well, and we were all very pleased that he took the time to attend our meeting.

October 11 is Australian Rotary Health Hat Day, a day to focus on mental Health issues, and to attract funds for research into the better understanding, and the management of mental health issues.

Next Wednesday, we are having our Hat Day. Please turn up wearing a hat, the more outrageous the better. The cost will be \$5 per head as a fundraiser for Australian Rotary Health, and there will be a prize for the most creative outrageous hat. DG Merv Ericson will be the judge – he just doesn't know it yet. We will also be collecting at our Mt Waverley market for this important cause.

For those not at the meeting this week, I announced that **our meeting on 16 October has been cancelled**. Instead, we are meeting on MONDAY 14<sup>th</sup> October, 6:00PM for 6:30PM at the Village Green Hotel (cabaret Room) Cnr Springvale Rd and Ferntree Gully Road Mulgrave.

**Jeff Kennett** will be guest speaker, the topic being “**Mental Health – My View**”. Numbers and money (\$35 per head includes a two course meal) by next Wednesday night please, and the Club will draw one cheque for all attending. The event is being organised by the Rotary Club of Glen Waverley, and understandably they require firm numbers with money by 9<sup>th</sup> October.

Georgie Morrow was scheduled to talk to us on 16<sup>th</sup> October, but has generously agreed to switch her presentation to our AGM night in November.

Until next Wednesday, with your hat

Terry

Addendum: I have just heard that John Lucas has been in Cabrini hospital having a fairly serious operation. All going well, John will be discharged tomorrow. I am sure that we all wish him a quick and complete recovery. I will send a card on behalf of our Club.

### COMMUNITY SERVICE

The African Violet Flower Show is on again this November. We will be doing their setup at the Mt Waverley Community Centre at 4pm on Friday 14<sup>th</sup> November and the setdown on Sunday 16<sup>th</sup> November 2013 at 5.30pm. Though it is not a fundraising event the club earns an easy \$250 for this community project and it is only a couple of hours if ½ a dozen volunteers attend. I will put a sheet around at meetings in coming weeks, for volunteers for either or both sessions. Please mark your diaries.

Glen Watkins

## FUNDRAISING

### 1. Proposed "Garage Sale" Project.

The Rotary Club of Mount Waverley in partnership with the Rotary Club of Oakleigh will conduct a Garage Sale of upmarket, new & second hand goods on Sunday the 27<sup>th</sup> October at the Oakleigh Market from 8 am to 2 pm.

To this effect, it would be appreciated if you could source any of the items listed below from your own households, that of relatives, friends & neighbours now and over the next 8 weeks. Many of the items left out for the annual council collections are suitable, although we are not conducting a rubbish collection.

In an endeavour to limit left over rubbish and hence the disposal problem of same, it is requested that articles be clean and in working order, preferably less than 5 years old and certainly not more than 10 years old. Until the sale date, goods may be delivered either to Adrian or to Terry Roche or they can be collected. The goods will be stored at the Club's storage facility. The funds raised will be split between the two clubs and used for community projects.

Type of goods required. This is a suggested list, but suitability should be confirmed with either Terry or Adrian. Suffice to say, size of item(s) is important. If it won't fit into a car boot it is unsuitable.

- Electrical appliances in safe working order. These will be tested before sale.
- New clothes in original packaging.
- Clean blankets in good condition.
- Small articles of furniture no larger than a chair.
- Kitchen appliances in good condition. Includes cooking utensils pots & pans.
- Dinner sets and cutlery.
- Office equipment and entertainment goods less than 5 years old.
- Fashionable jewellery, watches and clocks.
- Hard cover books, but not school books or textbooks. Car manuals and similar books.
- Objects de arte such as framed photos and prints, statues, pottery and Bric-a-Brac, subject to inspection and suitability. In other words if you would buy it others will to!
- Garden implements and garage items such as tools etc.
- Sporting goods such as cricket sets and tennis racquets. Balls of all sizes in good condition.
- Labelled tinned food, but no putrescibles.
- Anything else with a good chance of sale able to be fitted into a car boot.

Any donations you can make to this fund raising endeavour will be gratefully accepted.

If you have any space for storage of goods please let either Terry or Adrian know.

Please contact Adrian Clifford on 0409 311 181 or Terry Roche on 0404 391 511

## 3. Christmas Dinner Breakup

To provide some entertainment and to raise funds for the Children's Christmas Party, I thought it might be a good idea to hold an auction as we did a few years ago at the Christmas Dinner to be held on the 4<sup>th</sup> December.

Members will remember that we had about 25-30 items for sale by bidding and that we raised somewhere in the order of \$500 to \$600.

My suggestion is that if you are coming to the dinner that you provide an article for the auction by the week prior to the dinner so that it can be catalogued. To get some entertainment value, the donor of the article will be encouraged to give a brief (60 seconds) description and history if pertinent, on the item for sale. The item can be a tangible object, new or in good second hand condition, or a service such as an hour of gardening, accounting or estate planning service etc. Following the 60 second talk, our resident auctioneer will then sell to the highest bidder. If you would like to put a reserve on the item indicate to the auctioneer at the time of sale.

I will be sending around a list closer to the Christmas dinner to get an idea of what you wish to donate for the auction.

Funds raised from the garage sale to be held on the 27<sup>th</sup> October will also be used to fund the Children's Christmas party to be held on the first Saturday in December.

Adrian
